

# What is an Archive ????

**What is an Archive?**

**An Archive is two things at once.**

**Number 1, an Archive is a place.**

**It could be a small place like a shoebox.**

**It could be as big as a whole room.**

**Or it could be a whole building.**

**An archive is a place.**

**Number 2, an Archive is the things that are stored in that place.**

**That could be pictures, letters, postcards or posters of your favorite rock bands.**

**An archive is the things that are stored in that place.**

**Like all archives, the Ulster County  
Archive is two things at once.**

**Number 1, it's a room in the Ulster  
County Records Center.**

**Number 2, it's a collection of special  
records of the Ulster County  
Government.**
