WHEREAS, the program was expanded with additional tax credits for the period 2015 through 2019 and a new delineation was established that included 42 upstate counties but omitted Ulster County and seven counties previously included in the program that were outside the MCTD; and

WHEREAS, Ulster County has seen the benefits of a growing technology sector and is uniquely positioned with a large number of local residence working in technology fields that are ready to engage in the entertainment industry, creating hundreds of much needed high quality jobs; and

WHEREAS, this oversight may encourage these talented technological and post production trades to move to neighboring counties, some of whom are in the same Congressional, Senate and Assembly districts; now, therefore be it

RESOLVED, the Clerk of the Ulster County Legislature shall forward copies of this resolution to Governor Andrew Cuomo, Assembly and Senate Majority and Minority Leaders, Assembly and Senate Local Government Committee Chairmen, all Ulster County elected Assemblymen and Senators,
