

**Level III and IV Aquatic Supervision Staff  
CARDIOPULMONARY RESUSCITATION (CPR) CERTIFICATIONS  
For NYS Bathing Facilities**

**Fact Sheet – March 2016**

(Go to [www.health.ny.gov](http://www.health.ny.gov) to view most current certification list)

Level III and IV Aquatic Supervisory Staff are required to possess an American Red Cross (ARC) CPR or equivalent (except when staff is employed at bathing facilities that are part of a temporary residence or campground). As a result of changes in ARC’s curriculum, the code standard “Community CPR” is no longer taught. Acceptable certification equivalents are listed below.

**CPR certifications are valid for 1 year from the date of certification, regardless of the expiration date shown on the card.**

<b>Accepted Courses</b>	
CPR certifications listed on the Fact Sheet entitled “Cardiopulmonary Resuscitation (CPR) Certification for NYS Children’s Camps and NYS Bathing Facilities” exceed the requirements for Level III and IV CPR courses and are acceptable.
