LEGAL UPDATES

Please join us to hear the latest updates on the laws pertaining to Domestic Violence.

This session is particularly geared to those working in the court system; judges, law enforcement, attorneys, probation, parole and social services.

TECH SAFETY

Did you know that:

- you can monitor someone's computer use without the user knowing?
- a "history" cannot be completely erased from a computer?
- cell phone use can be monitored?
- a global positioning system (GPS) can be placed on your car, in your purse or in your cell phone?
- some court systems are placing court records online and that they may contain personal information?
