SHELTER

In this short film directed by Natalie Merchant, a group of women living in the Mid-Hudson region of New York respond to the crisis of domestic violence in their community with compassion and creativity. Musicians, advocates, criminal prosecutors, victims and survivors all take to the stage, illuminating the darkness surrounding this public health epidemic. Filmed on June 2, 2013 at the Richard B. Fisher Center for the performing Arts, Bard College. All proceeds generated by this concert were donated to Domestic violence shelters: Grace Smith House, Poughkeepsie, NY and Washbourne House, Kingston, NY.
