FREE
Rabies Vaccination Clinic

Saturday, May 10, 2014
8:30 am - 10:30 am
Kingston Animal Hospital
456 Albany Avenue, Kingston NY
No appointment necessary

Please bring your animal's last rabies history certificate.

Dogs must be on a leash.

Cats and ferrets must be in a carrier.

Protect your pet, your family and your community from the deadly rabies virus.
