

QUALIFIED SWIMMING POOL WATER TREATMENT OPERATOR COURSES AND CERTIFICATIONS

for Operation of NYS Swimming Pools and Recreational Aquatic Spray Grounds

Fact Sheet – February 2014

(Go to www.health.ny.gov to view most current certification list)

A qualified swimming pool water treatment operator is required to maintain pools larger than 3,000 square feet in surface area, or pools disinfected using gas chlorine and all recreational aquatic spray ground facilities.

Qualified swimming pool water treatment operator certifications shall be valid for the time period specified by the certifying agency and must be maintained current.

The following are adequate courses of instruction regarding the safe and effective operation and maintenance of pool treatment equipment as specified in Section 6-1.2(l)(2) of Subpart 6-1 and Section 6-3.2(e) of Subpart 6-3 of the New York State Sanitary Code:

Provider	Certification Title
American Swimming Pool and Spa Association	Licensed Aquatic Facility Technician (LAFT) Certificates indicating completion of an online or hybrid LAFT course are not acceptable .
National Recreation and Park Association	Aquatic Facility Operator (AFO)
National Swimming Pool Foundation	Certified Pool/Spa Operator (CPO)
Starfish Aquatics Institute	AquaTech
YMCA	Pool Operator on Location (POOL)
