Chairman Of The Legislature Frederick J. Wadnola Requests Review Of Current “Personnel Policy”

The Chairman of the Ulster County Legislature Frederick J. Wadnola has requested that the Standing Committee on Government Operations and Efficiency, chaired by Legislator Terry Bernardo (District No. 1), undertake a complete review of current “Personnel Policy”. The current “Personnel Policy” was first adopted on April 15, 1982 and has had thirteen revisions since then. The review will include but will not be limited to questions of nepotism or the appearance of family related conflicts in County employment.

The objective of the Government Operations and Efficiency Committee will be to return a comprehensive “Personnel Policy” to the County Legislature for consideration for implementation. Chairman Frederick J. Wadnola commented, “In the course of conducting this review, I am requesting that the Committee to do a comprehensive evaluation of current ethics and conflict of interest laws as they pertain to elected, appointed and employed governmental positions.”

The Committee is empowered to have hearings, review departmental policies and to present to the County Legislature a new policy for implementation. The first meeting of the Government Operations and Efficiency Committee is scheduled for Wednesday, February 3, 2010 at 6:00 PM in the Library Conference Room, 6th Floor, County Office Building, 244 Fair Street, Kingston, New York. Telephone: (845) 340-3900.
