Federal Fiscal Year (FFY) 2011-2015 Transportation Improvement Program (TIP)

PROPOSED AMENDMENTS

The Ulster County Transportation Council (UCTC) is proposing two amendments to the Federal Fiscal Year (FFY) 2011-2015 Transportation Improvement Program (TIP), the five-year capital program that assigns federal funds to transportation projects located in Ulster County. The Council periodically updates the TIP to add new projects, remove existing projects, or change a project's cost, schedule, or scope. Significant changes are classified as an addition or deletion of larger infrastructure projects or otherwise as any amendment causing changes that will materially affect travel for the public. Such amendments require a public comment period of 15 calendar days prior to action.

On June 26, 2013, the UCTC Technical Committee, through the approval of DRAFT UCTC Resolution 2013-04, recommended that the following amendment be forwarded to the UCTC Policy Committee for adoption:
