FOR IMMEDIATE RELEASE

OCTOBER 2, 2009

DEMOCRATIC MAJORITY SPEAKS TO 2010 BUDGET

The Democratic Majority appreciates the difficulty the County Executive's Office had in performing the unenviable task of constructing the 2010 Ulster County Budget under such trying economic conditions. We will work diligently on the County Executive's submitted budget, line by line, through our established budget review process.

The proposed layoff of 30 employees is something we will be looking at very closely. The Democratic Majority is determined to bring the residents of Ulster County a budget that fits within a reasonable expectation given the uncertain financial times we all face. We are committed to continuing to deliver sound fiscal management and continuing to deliver better Government at a better price.

Any questions or concerns, Majority Leader Legislator Brian Cahill can be reached at (H) 336-5217, (C) 332-5532, E-Mail bcah@co.ulster.ny.us.
