Referred to: The Public Works and Capital Projects Committee (Chairman Fabiano and Legislators Maloney, Roberts, Briggs and John Parete) and The Ways and Means Committee (Chairman Gerentine and Legislators Harris, Maio, Maloney, Gregorius, Provenzano and Rodriguez)

Chairman of the Public Works and Capital Projects Committee Dean J. Fabiano and Deputy Chairman John Parete offer the following:

WHEREAS, this resolution has been submitted by the County Executive on behalf of the Department of Public Works; and

WHEREAS, the Commissioner of Public Works is endeavoring to greatly reduce the use of sand from the Department of Public Works winter salt-sand spreading and improve the efficiency of salt spreading operations; and

WHEREAS, the elimination of sand from the salt-sand mixture presently used by the County snow plows will save the County approximately \$623,000.00 per year; and

WHEREAS, the sand spread on the roads and bridges during the winter snow plowing operations collects on the bridges and in the drainage structures, which causes water to pool on roadway surfaces and clogs the drainage structures to the detriment of the environment and the County infrastructure; and

WHEREAS, the elimination of sand from the salt-sand mixture will drastically reduce the amount of man-hours required to clean the roads, bridges and drainage ditches of the sand each Spring; and

WHEREAS, during storage, pure salt must be protected from rain and snow or it will dissolve; and

WHEREAS, eight salt storage buildings are being proposed by the Commissioner of Public Works in order to protect the pure salt stored for snow plowing operations, and to improve upon the environmental conditions of the County's salt storage operations throughout the County; and

WHEREAS, a quote in the approximate amount of \$712,500.00 has been received for the manufacture, engineering and installation of the eight salt storage buildings; and

**Establishing Capital Project No. 374 For The Purchase And Installation Of Eight Salt Storage Buildings At Department of Public Works Facilities Throughout The County – Amending The 2012-2017 Capital Program– Amending the 2012 Capital Project Fund – Department Of Public Works (Highways and Bridges)**

WHEREAS, the Public Works Department will provide the materials to install an asphalt pad for each salt storage facility and complete the site preparation for all eight buildings at a total cost of approximately \$33,000.00; and

WHEREAS, the total estimated costs for the site work, purchase and installation of the salt storage buildings is \$745,500.00; and

WHEREAS, the Commissioner of Public Works is requesting that the funds be provided to complete the site preparations, and contract for the manufacture, engineering and installation of eight salt storage buildings in the Towns of Wawarsing (Ulster Heights) , Rochester (Accord), Saugerties, Plattekill, Shawangunk, Shankaden, Denning (Sundown), and the City of Kingston; now, therefore it is
