

Requesting Information Services To Create A Tracking Database For County Vehicles

The Efficiency, Reform and Intergovernmental Affairs Committee (Chairman Bischoff and Legislators Bartels, Liepmann, Rodriguez, Shapiro, Busick and Cummings) offers the following:

WHEREAS, it is requested that Ulster County Information Services create a tracking database for County vehicles, and

WHEREAS, the database would be accessed through the County Intranet via an entry form which would indicate all daily trip logs, emergency call-out logs and all other vehicle information to be supplied to the Fleet Manager, and

WHEREAS, the Efficiency, Reform and Intergovernmental Affairs Committee has met and reviewed said request with a majority of the members voting approval.

RESOLVED, that the Ulster County Legislature supports the creation of a tracking database for County vehicles by Ulster County Information Services, and moves its adoption.
