

Fire Department Inventory - _____

Department Name _____

Year _____

Apparatus ID*						Station
Pump size (GPM)						
Tank size (gal)						
4 X 4 (Y or N)						
Absorbents						
Booms (qty/size)						
Pads (qty/size)						
ATV						
Boat (size & motor)						
Brush equip						
Forestry hose (ft)						
Indian tanks/vests						
Rakes/brooms (qty)						
Cameras						
Fire finder						
Thermal imaging						
Underwater						
Cascade						
Mobile (qty/PSI)						
Station (qty/PSI)						
Class D extinguisher						
Deck gun (GPM)						
Drop tank (gal)						
Extrication equip						
Airbags (# & tons)						
Jaws						
Rams						
Foam						
AR-AFFF (gal)						
AR-FFFP (gal)						
CAFS (gal)						
Class A (gal)						
High Expansion (gal)						
On board tank (gal)						
Generator (size)						
On board						
Portable						
Station						
GPS						
High rise pack (size)						
Hose						
1 1/2"						
1 3/4"						
2"						
3"						
4"						
5"						
Other						
Ice sled						

Apparatus ID*						Station
Ladder sizes						
Medical equip						
A.E.D.						
Albuterol						
Epi auto injector						
Immobilization						
Meters						
CO						
Multi-gas (specify)						
Other						
Phantom pumper						
Portable heater						
Portable pump(GPM)						
Rope gun						
Salvage covers						
Saws						
Chain saw (size)						
K-12 saw						
Ventilation saw						
SCBA						
Mfg & qty						
Spare bottles						
Smoke ejector						
Fan (size)						
PPV (size)						
Stokes basket						
Teams**						
Confined space						
Dive / water rescue						
FAST						
Haz-mat						
Ice rescue						
Rope rescue						
Water vacuum						
Winch						
Other						

Total membership _____ Active members _____ Officer submitting inventory _____

* For apparatus, please specify unit type (e.g. E-99-10 for engine)

** For teams, please specify the number of members on each team, as well as attach a separate list of specialized equipment.

Sample

Apparatus ID	E-99-10	T-99-11	L-99-12	M-99-13		Station
Pump size (GPM)	1500	500		250		
AR-AFFF foam (gal)	3-5 gal pails					5-5 gal pails
3" hose	1000'	200'		200'		600'
Multi-gas meter				O2/CO/H2S
