Dear Ms. Locci:

We are pleased to inform you that HRP Associates' quote is the lowest, most responsive quote in response to the Request for Quotation for the above project. This entitles your firm to begin the contractual process with Ulster County. No work on the project shall be initiated until such time that a contract exists between your firm and Ulster County. The contract process will be initiated by Amanda LaValle, Coordinator Ulster County Department of the Environment. Amanda can be reached at 845-338-7455. Ulster County reserves the right to cease contract negotiations at any time. Such determination will be made in writing by the Director of Purchasing.

Please submit Insurance certificates to Alice Eastman in Purchasing prior to commencing work. The certificates may be faxed to 845-340-3434.

We appreciate your interest in Ulster County and look forward to working with you.

Sincerely,
