### **A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

**BE IT ENACTED**, by the County Legislature of the County of Ulster as follows:

#### **SECTION 1. PURPOSE AND INTENT.**

This Local Law provides for the administration and enforcement of the New York State Uniform Fire Prevention and Building Code (the Uniform Code) and the State Energy Conservation Construction Code (the Energy Code) by the County of Ulster, pursuant to §381 (2) of the Executive Law. This local law shall also provide for administration and enforcement of the Uniform Code with respect to County buildings, premises and equipment as hereinafter set forth. Except as otherwise provided in the Uniform Code, other state law, or other section of this local law, all buildings, structures and premises, regardless of use or occupancy, are subject to the provisions of this local law. This local law replaces in its entirety Local Law Number 2 of 1986 of the County of Ulster, entitled "A Local Law of the County Ulster Providing for the Administration and Enforcement of the New York State Fire Prevention and Building Code".

#### **SECTION 2. DESIGNATION OF ENFORCEMENT AGENCY.**

The Environmental Sanitation Division of the Ulster County Health Department is hereby designated to administer and enforce the Uniform Code in those localities which have properly opted out of responsibility for enforcement of the Uniform Code.

The Ulster County Safety Office is hereby designated to administer and enforce the Uniform Code with respect to buildings, premises and equipment in the custody of, or activities related thereto, undertaken by the County of Ulster. Said department shall maintain and be responsible for any and all records pertaining to enforcement of the Uniform Code with respect to County buildings, premises and equipment.

(11) to exercise all other powers and fulfill all other duties conferred upon the Code Enforcement Officer by this Local Law.

(b) The Code Enforcement Officer shall possess background experience related to building construction or fire prevention and shall, with the time prescribed by law, obtain such basic training, in-service training, advanced in-service training and other training as the State of New York shall require for code enforcement personnel, and the Code Enforcement Officer shall obtain certification from the State Fire Administrator pursuant to the Executive Law and the regulations promulgated there under.

(c) In the event that the Code Enforcement Officer is unable to serve as such for any reason, an individual shall be named by the corresponding department to serve as Acting Code Enforcement Officer. The Acting Code Enforcement Officer shall, while serving shall exercise all powers and fulfill all duties conferred upon the Code Enforcement Officer by this Local Law.

(d) One or more Inspectors may act under the supervision and direction of the Code Enforcement Officer and to assist the Code Enforcement Officer in the exercise of the powers and fulfillment of the duties conferred upon the Code Enforcement Officer by this Local Law. Each Inspector shall, within the time prescribed by law, obtain such basic training, in-service training, advanced in-service training and other training as the State of New York shall require for code enforcement personnel, and each Inspector shall obtain certification from the State Fire Administrator pursuant to the Executive Law and the regulations promulgated there under.

**SECTION 5. BUILDING PERMITS.**

(a) Building Permits Required. Except as otherwise provided in Subdivision (b) of this Section, a Building Permit shall be required for any work which must conform to the Uniform Code and/or the Energy Code, including, but not limited to, the construction, enlargement, alteration, improvement, removal, relocation or demolition of any building or structure or any

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

portion thereof, and the installation of a solid fuel burning heating appliance, chimney or flue in any dwelling unit. No person shall commence any work for which a Building Permit is required without first having obtained a Building Permit from the Code Enforcement Officer. Building Permits for properly opted out localities shall be applied for and obtained through the Environmental Sanitation Division of the Ulster County Health Department. Building Permits with respect to buildings, premises and equipment in the custody of, or activities related thereto, undertaken by the County of Ulster, shall be applied for and obtained through the Ulster County Safety Office.

(b) Exemptions. No Building Permit shall be required for work in any of the following categories:

- (1) construction or installation of one story detached structures associated with one or two family dwellings or multiple single family dwellings (townhouses) which are used for tool and storage sheds, playhouses or similar uses, provided the gross floor area does not exceed 144 square feet (13.88 square meters);
- (2) installation of swings and other playground equipment associated with a one or two family dwelling or multiple single family dwellings (townhouses);
- (3) installation of swimming pools associated with a one or two family dwelling or multiple single family dwellings (townhouses) where such pools are designed for a water depth of less than 24 inches and are installed entirely above ground;
- (4) installation of fences which are not part of an enclosure surrounding a swimming pool;
- (5) construction of retaining walls unless such walls support a surcharge or impound Class I, II or IIIA liquids;

**Local Law Number 10 Of 2007**

**County Of Ulster**

(6) construction of temporary motion picture, television and theater stage sets and scenery;

(7) installation of window awnings supported by an exterior wall of a one or two family dwelling or multiple single family dwellings (townhouses);

(8) installation of partitions or movable cases less than 5'-9" in height;

(9) painting, wallpapering, tiling, carpeting, or other similar finish work;

(10) installation of listed portable electrical, plumbing, heating, ventilation or cooling equipment or appliances;

(11) replacement of any equipment provided the replacement does not alter the equipment's listing or render it inconsistent with the equipment's original specifications; or

(12) repairs, provided that such repairs do not involve (i) the removal or cutting away of a load bearing wall, partition, or portion thereof, or of any structural beam or load bearing component; (ii) the removal or change of any required means of egress, or the rearrangement of parts of a structure in a manner which affects egress; (iii) the enlargement, alteration, replacement or relocation of any building system; or (iv) the removal from services of all or part of a fire protection system for any period of time.

(c) Exemption not deemed authorization to perform non-compliant work. The exemption from the requirement to obtain a building permit for work in any category set forth in subdivision (b) of this section shall not be deemed an authorization for work to be performed in violation of the Uniform Code or the Energy Code.

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

(d) Applications for Building Permits. Applications for a Building Permit shall be made in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. The application shall be signed by the owner of the property where the work is to be performed or an authorized agent of the owner. The application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that the intended work complies with all applicable requirements of the Uniform Code and the Energy Code. The application shall include or be accompanied by the following information and documentation:

- (1) a description of the proposed work;
- (2) the tax map number and the street address of the premises where the work is to be performed;
- (3) the occupancy classification of any affected building or structure;
- (4) where applicable, a statement of special inspections prepared in accordance with the provisions of the Uniform Code; and
- (5) at least 2 sets of construction documents (drawings and/or specifications) which (i) define the scope of the proposed work; (ii) are prepared by a New York State registered architect or licensed professional engineer where so required by the Education Law; (iii) indicate with sufficient clarity and detail the nature and extent of the work proposed; (iv) substantiate that the proposed work will comply with the Uniform Code and the Energy Code; and (v) where applicable, include a site plan that shows any existing and proposed buildings and structures on the site, the location of any existing or proposed well or septic system, the location of the intended work, and the distances between the buildings and structures and the lot lines.

(e) Construction documents. Construction documents will not be accepted as part of an application for a Building Permit unless they satisfy the requirements set forth in paragraph (5) of subdivision (d) of this section. Construction documents which are accepted as part of the application for a Building Permit shall be marked as accepted by the Code Enforcement Officer in writing or by stamp. One set of the accepted construction documents shall be returned to the applicant to be kept at the work site so as to be available for use by the Code Enforcement Personnel. However, the return of a set of accepted construction documents to the applicant shall not be construed as authorization to commence work, nor as an indication that a Building Permit will be issued. Work shall not be commenced until and unless a Building Permit is issued.

(f) Issuance of Building Permits. An application for a Building Permit shall be examined to ascertain whether the proposed work is in compliance with the applicable requirements of the Uniform Code and Energy Code. The Code Enforcement Officer shall issue a Building Permit if the proposed work is in compliance with the applicable requirements of the Uniform Code and Energy Code.

(g) Building Permits to be displayed. Building Permits shall be visibly displayed at the work site and shall remain visible until the authorized work has been completed.

(h) Work to be accordance with construction documents. All work shall be performed in accordance with the construction documents which were submitted with and accepted as part of the application for the Building Permit. The Building Permit shall contain such a directive. The Permit Holder shall immediately notify the Code Enforcement Officer of any change occurring during the course of work. The Building Permit shall contain such a directive. If the Code Enforcement Officer determines that such change warrants a new or amended Building Permit, such change shall not be made until and unless a new or amended Building Permit reflecting such change is issued.

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

(i) Time limits. Building Permits shall become invalid unless the authorized work is commenced within (6) months following the date of issuance. Building Permits shall expire (12) months after the date of issuance. A Building Permit which has become invalid or which has expired pursuant to this subdivision may be renewed upon application by the Permit Holder, payment of the applicable fee, and approval of the application by the Code Enforcement Officer.

(j) Revocation or suspension of Building Permits. If the Code Enforcement Officer determines that a Building Permit was issued in error because of incorrect, inaccurate or incomplete information, or that the work for which a Building Permit was issued violates the Uniform Code or the Energy Code, the Code Enforcement Officer shall revoke the Building Permit or suspend the Building Permit until such time as the Permit Holder demonstrates that (1) all work then completed is in compliance with all applicable provisions of the Uniform Code and the Energy Code and (2) all work then proposed to be performed shall be in compliance with all applicable provisions of the Uniform Code and the Energy Code.

(k) Fee. The fee specified in or determined in accordance with the provisions set forth in section 17 (Fees) of this local law must be paid at the time of submission of an application for a Building Permit, for an amended Building Permit, or for renewal of a Building Permit.

**SECTION 6. CONSTRUCTION INSPECTIONS.**

(a) Work to remain accessible and exposed. Work shall remain accessible and exposed until inspected and accepted by the Code Enforcement Officer or by an Inspector authorized by the Code Enforcement Officer. The Permit Holder shall notify the Code Enforcement Officer when any element of work described in subdivision (b) of this section is ready for inspection.

(b) Elements of work to be inspected. The following elements of the construction process shall be inspected made, where applicable:

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

- (1) work site prior to the issuance of a Building Permit;
- (2) footing and foundation;
- (3) preparation for concrete slab;
- (4) framing;
- (5) building systems, including underground and rough-in;
- (6) fire resistant construction;
- (7) fire resistant penetrations;
- (8) solid fuel burning heating appliances, chimneys, flues or gas vents;
- (9) Energy Code compliance; and
- (10) a final inspection after all work authorized by the Building Permit has been completed.

(c) Inspection results. After inspection, the work or a portion thereof shall be noted as satisfactory as completed, or the Permit Holder shall be notified as to where the work fails to comply with the Uniform Code or Energy Code. Work not in compliance with any applicable provision of the Uniform Code or Energy Code shall remain exposed until such work shall have been brought into compliance with all applicable provisions of the Uniform Code and the Energy Code, re-inspected, and found satisfactory as completed.

(d) Fee. The fee specified in or determined in accordance with the provisions set forth in section 17 (Fees) of this local law must be paid prior to or at the time of each inspection performed pursuant to this section.

**SECTION 7. STOP WORK ORDERS.**

(a) Authority to issue. The Code Enforcement Officer is authorized to issue Stop Work Orders pursuant to this section. The Code Enforcement Officer shall issue a Stop Work Order to halt:

(1) any work that is determined by the Code Enforcement Officer to contrary to any applicable provision of the Uniform Code or Energy Code, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or

(2) any work that is being conducted in a dangerous or unsafe manner in the opinion of the Code Enforcement Officer, without regard to whether such work is or is not work for which a Building Permit is required, and without regard to whether a Building Permit has or has not been issued for such work, or

(3) any work for which a Building Permit is required which is being performed without the required Building Permit, or under a Building Permit that has become invalid, has expired, or has been suspended or revoked.

(b) Content of Stop Work Orders. Stop Work Orders shall (1) be in writing, (2) be dated and signed by the Code Enforcement Officer, (3) state the reason or reasons for issuance, and (4) if applicable, state the conditions which must be satisfied before work will be permitted to resume.

(c) Service of Stop Work Orders. The Code Enforcement Officer shall cause the Stop Work Order, or a copy thereof, to be served on the owner of the affected property (and, if the owner is not the Permit Holder, on the Permit Holder) personally or by registered mail / certified mail. The Code Enforcement Officer shall be permitted, but not required, to

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

cause the Stop Work Order, or a copy thereof, to be served on any builder, architect, tenant, contractor, subcontractor, construction superintendent, or their agents, or any other Person taking part or assisting in work affected by the Stop Work Order, personally or by registered mail / certified mail; provided, however, that failure to serve any Person mentioned in this sentence shall not affect the efficacy of the Stop Work Order.

**SECTION 8. CERTIFICATES OF OCCUPANCY/CERTIFICATES OF COMPLIANCE.**

(a) Certificates of Occupancy / Certificates of Compliance required. A Certificate of Occupancy / Certificate of Compliance shall be required for any work which is the subject of a Building Permit and for all structures, buildings, or portions thereof, which are converted from one use or occupancy classification or sub-classification to another. Permission to use or occupy a building or structure, or portion thereof, for which a Building Permit was previously issued shall be granted only by issuance of a Certificate of Occupancy / Certificate of Compliance.

(b) Issuance of Certificates of Occupancy / Certificates of Compliance. The Code Enforcement Officer shall issue a Certificate of Occupancy / Certificate of Compliance if the work which was the subject of the Building Permit was completed in accordance with all applicable provisions of the Uniform Code and Energy Code and, if applicable, that the structure, building or portion thereof that was converted from one use or occupancy classification or sub-classification to another complies with all applicable provisions of the Uniform Code and Energy Code. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the building, structure or work prior to the issuance of a Certificate of Occupancy/Certificate of Compliance. In addition, where applicable, the following documents, prepared in accordance with the provisions of the Uniform Code by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant for the Certificate of Occupancy/Certificate of Compliance,

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

shall be provided to the Code Enforcement Officer prior to the issuance of the Certificate of Occupancy/Certificate of Compliance.

(1) a written statement of structural observations and / or a final report of special inspections, and

(2) flood hazard certifications.

(c) Contents of Certificates of Occupancy/Certificates of Compliance. A Certificate of Occupancy/Certificate of Compliance shall contain the following information:

(1) the Building Permit number, if any;

(2) the date of issuance of the Building Permit, if any;

(3) the name, address and tax map number of the property;

(4) if the Certificate of Occupancy/Certificate of Compliance is not applicable to an entire structure a description of that portion of the structure for which the Certificate of Occupancy/Certificate of Compliance is issued;

(5) the use and occupancy classification of the structure;

(6) the type of construction of the structure;

(7) the assembly occupant load of the structure, if any;

(8) if an automatic sprinkler system is provided, a notation as to whether the sprinkler system is required;

(9) any special conditions imposed in connection with the issuance of the Building Permit; and

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

(10) the signature of the Code Enforcement Officer issuing the Certificate of Occupancy/Certificate of Compliance and the date of issuance.

(d) Temporary Certificate. The Code Enforcement Officer shall be permitted to issue a Temporary Certificate allowing the temporary occupancy of a building or structure, or a portion thereof, prior to completion of the work which is the subject of a Building Permit. However, in no event shall the Code Enforcement Officer issue a Temporary Certificate unless the Code Enforcement Officer determines (1) that the building or structure, or the portion thereof covered by the Temporary Certificate, may be occupied safely, (2) that any fire and smoke detecting or fire protection equipment which has been installed is operational, and (3) that all required means of egress from the building or structure have been provided. The Code Enforcement Officer may include in a Temporary Certificate such terms and conditions as he or she deems necessary or appropriate to ensure safety or to further the purposes and intent of the Uniform Code. A Temporary Certificate shall be effective for a period of time, not to exceed [6] months, which shall be determined by the Code Enforcement Officer and specified in the Temporary Certificate. During the specified period of effectiveness of the Temporary Certificate, the Permit Holder shall undertake to bring the building or structure into full compliance with all applicable provisions of the Uniform Code and the Energy Code.

(e) Revocation or suspension of certificates. If the Code Enforcement Officer determines that a Certificate of Occupancy/Certificate of Compliance or a Temporary Certificate was issued in error because of incorrect, inaccurate or incomplete information, and if the relevant deficiencies are not corrected to the satisfaction of the Code Enforcement Officer within such period of time as shall be specified by the Code Enforcement Officer, the Code Enforcement Officer shall revoke or suspend such certificate.

(f) Fee. The fee specified in or determined in accordance with the

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

provisions set forth in section 17 (Fees) of this local law must be paid at the time of submission of an application for a Certificate of Occupancy/ Certificate of Compliance or Temporary Certificate.

**SECTION 9. NOTIFICATION REGARDING FIRE OR EXPLOSION.**

(a) The chief of any fire department providing fire fighting services for a property within a properly opted out locality shall promptly notify the Code Enforcement Officer of any fire or explosion involving any structural damage, fuel burning appliance, chimney or gas vent.

(b) The chief of any fire department providing fire fighting services for a property owned or leased by Ulster County shall promptly notify the Code Enforcement Officer of the Ulster County Safety Office of any fire or explosion involving any structural damage, fuel burning appliance, chimney or gas vent.

**SECTION 10. UNSAFE BUILDING AND STRUCTURES.**

(a) Unsafe structures and equipment in properly opted out localities shall be identified and addressed in accordance with Division of Environmental Sanitation of the Ulster County Health Department.

(b) Unsafe structures and equipment located on Ulster County owned/ leased property or in any Ulster County owned or leased structure shall be identified and addressed by the Ulster County Safety Office.

**SECTION 11. OPERATING PERMITS.**

(a) Operation Permits required. Operating Permits shall be required for conducting the activities or using the categories of buildings listed below:

(1) manufacturing, storing, or handling hazardous materials in quantities exceeding those listed in Tables 2703.1.1(1), 2703.1.1(2),

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

2703.1.1(3), or 2703.1.1(4) in the publication entitled "Fire Code of New York State" and incorporated by reference in 19 NYCRR section 1225.1;

(2) hazardous processes and activities, including but not limited to, commercial and industrial operations which produce combustible dust as a byproduct, fruit and crop ripening, and waste handling;

(3) use of pyrotechnic devices in assembly occupancies;

(4) buildings containing one or more areas of public assembly with an occupant load of 100 persons or more; and

(5) buildings whose use or occupancy classification may pose a substantial potential hazard to public safety, as determined by the Code Enforcement Officer.

Any person who proposes to undertake any activity or to operate any type of building listed in this Subdivision (a) shall be required to obtain an Operating Permit prior to commencing such activity or operation.

(b) Applications for Operating Permits. An application for an Operating Permit shall be in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. Such application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that quantities, materials, and activities conform to the requirements of the Uniform Code. If the Code Enforcement Officer determines that tests or reports are necessary to verify conformance, such tests or reports shall be performed or provided by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant.

(c) Inspections. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the subject premises prior to the issuance of an Operation Permit.

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

(d) Multiple Activities. In any circumstance in which more than one activity listed in Subdivision (a) of this Section is to be conducted at the location, the Code Enforcement Officer may require a separate Operating

Permit for each such activity, or the Code Enforcement Officer may, in his or her discretion, issue a single Operating Permit to apply to all such activities.

(e) Duration of Operating Permits. Operating Permits shall remain in effect until reissued, renewed, revoked, or suspended.

(f) Revocation or suspension of Operating Permits. If the Code Enforcement Officer determines that any activity or building for which an Operating Permit was issued does not comply with any applicable provision of the Uniform Code, such Operating Permit shall be revoked or suspended.

(g) Fee. The fee specified in or determined in accordance with the provisions set forth in section 17 (Fees) of this local law must be paid at the time submission of an application for an Operating Permit, for an amended Operating Permit, or for reissue or renewal of an Operating Permit.

**SECTION 12. FIRE SAFETY AND PROPERTY MAINTENANCE INSPECTIONS.**

(a) Inspections required. Fire safety and property maintenance inspections of buildings and structures shall be performed by the Code Enforcement Officer or an Inspector designated by the Code Enforcement Officer at the following intervals:

(1) Fire safety and property maintenance inspections of buildings or structures which contain an area of public assembly shall be performed at least once every twelve (12) months.

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

(2) Fire safety and property maintenance inspections of buildings or structures being occupied as dormitories shall be performed at least once every twelve (12) months.

(3) Fire safety and property maintenance inspections of all multiple dwellings not included in paragraphs (1) or (2) of this subdivision, and all non-residential buildings, structures, uses and occupancies not included in paragraphs (1) or (2) of this subdivision, shall be performed at least once every twelve (12) months for properly opted out localities under the Division of Sanitation, Ulster County Health Department, and once every six (6) months for County properties performed by the Ulster County Safety Office.

(b) Inspections permitted. In addition to the inspections required by subdivision (a) of this section, a fire safety and property maintenance inspection of any building, structure, use, or occupancy, or of any dwelling unit, may also be performed by the Code Enforcement Officer or an Inspector designated by the Code Enforcement Officer at any time upon:

(1) the request of the owner of the property to be inspected or an authorized agent of such owner;

(2) receipt by the Code Enforcement Officer of a written statement alleging that conditions or activities failing to comply with the Uniform Code or Energy Code exist; or

(3) receipt by the Code Enforcement Officer of any other information, reasonably believed by the Code Enforcement Officer to be reliable, giving rise to reasonable cause to believe that conditions or activities failing to comply with the Uniform Code or Energy Code exist;

Provided, however, that nothing in this Subdivision shall be construed as permitting an inspection under any circumstance under which a court order or

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

warrant permitting such inspection is required, unless such court order or warrant shall have been obtained.

(c) OFPC Inspections. Nothing in this section or in any other provision of this Local Law shall supersede, limit or impair the powers, duties and responsibilities of the New York State Office of Fire Prevention and Control (“OFPC”) and the New York State Fire Administrator under Executive Law section 156-e and Education Law section 807-b.

(d) Fee. The fee specified in or determined in accordance with the provisions set forth in Section 17 (Fees) of this Local Law must be paid prior to or at the time each inspection performed pursuant to this Section. This Subdivision shall not apply to inspections performed by OFPC.

**SECTION 13. COMPLAINTS.**

The Code Enforcement Officer shall review and investigate complaints which allege or assert the existence of conditions or activities that fail to comply with the Uniform Code, the Energy Code, this local law, or any other local law, ordinance or regulation adopted for administration and enforcement of the Uniform Code or the Energy Code. The process for responding to a complaint shall include such of the following steps as the Code Enforcement Officer may deem to be appropriate:

- (1) performing an inspection of the conditions an/or activities alleged to be in violation, and documenting the results of such inspection;
- (2) if a violation is found to exist, providing the owner of the affected property and any other Person who may be responsible for the violation with notice of the violation and opportunity to abate, correct or cure the violation, or otherwise proceeding in the manner described in section 16 (Violations) of this local law;
- (3) if appropriate, issuing a Stop Work Order;

**Local Law Number 10 Of 2007**

**County Of Ulster**

**A Local Law Of The County Of Ulster Providing For The Administration And Enforcement Of The New York State Uniform Fire Prevention And Building Code**

(4) if a violation which was found to exist is abated or corrected, performing an inspection to ensure that the violation has been abated or corrected, preparing a final written report reflecting such abatement or correction, and filing such report with the compliant.

**SECTION 14. RECORD KEEPING.**

(a) The Code Enforcement Officer shall keep permanent official records of all transactions and activities conducted by all Code Enforcement Personnel, including records of:

- (1) all applications received, reviewed and approved or denied;
- (2) all plans, specifications and construction documents approved;
- (3) all Building Permits, Certificates of Occupancy / Certificates of Compliance, Temporary Certificates, Stop Work Orders, and Operating Permits issued;
- (4) all inspections and tests performed;
- (5) all statements and reports issued;
