ULSTER COUNTY RESPONSE TO NYC WATER FILTRATION AVOIDANCE DETERMINATION

(Kingston, NY) – Environmental, Energy, and Technology Committee Chairman Carl Belfiglio and Legislators Tracey Bartels, Craig Lopez, Mary Wawro, and Kenneth Wishnick are seeking the input from the Ulster County Public on the New York State (NYS) Department of Health (DOH) Filtration Avoidance Determination (FAD). This Public Hearing will be held from 4:00 PM to 7:30 PM on Wednesday, September 25, 2013 in the Legislative Chambers on the sixth floor of the County Office Building, located at 244 Fair Street, Kingston, New York.

Chairman Carl Belfiglio highlighted NYSDOH is currently accepting only written comments and all testimony presented at the September 25th Public Hearing will be compiled and presented on behalf of Ulster County residents.

Individuals are asked to RSVP by calling (845)340-3696 to ensure a time slot that accommodates their work and family obligations on that day. To hear the audio of from the Committee's announcement of this Public Hearing, please visit the Committee's website at
