

U.S. Department of Transportation
Federal Highway Administration

ADA Transition Plans and other General Requirements

Presented by the Federal Highway Administration's New York Division

With Support from Ulster County Transportation Council

Who: The target audience is MPO staff, municipalities and local agency staff, and anyone who plans to work on ADA Transition Plans.

What: This is a workshop provided free of cost that will cover ADA Transition Plan requirements, as well as other general ADA requirements, including the USDOJ/FHWA Joint Technical Assistance. This is an important training opportunity because ADA Transition Plans are required for all government agencies.

Where: Rondout Municipal Center, 1915 Lucas Avenue Cottekill, NY

When: Thursday, September 29, 2016

Agenda:

- | | |
