

Ulster County Road Safety Assements (RSA)

RSA Date: TBD

RSA Prompt List

Note Taker:

Location:

Date:

Time of Day:

Bicycles & Pedestrians

1. Presence and Availability

2. Design & Placement

3. Operations

4. Quality & Conditions

5. Obstructions

6. Roadside

7. Continuity & Connectivity

8. Lighting

9. Visibility

10. Signs & Pavement Markings

11. Signals

12. Human Factors / Behavior

Ulster County Road Safety Assements (RSA)

RSA Date: TBD

RSA Prompt List

Note Taker:

Location:

Date:

Time of Day:

General (1 of 2)

Road Function, Classification, Environment

Road Alignment & Cross Section (Visibility/Sight Distance, Design Speed, Speed Limit/Speed Zoning, Passing, Readability, Human Factors, Widths, Shoulders, Cross Slopes, Side Slopes, Drains, Combinations of Features)

Auxiliary Lanes (Tapers, Shoulders, Signs and Markings, Turning Traffic)

Intersections (Location, Visibility/Sight Distance, Signing and Marking, Layout and Readability, Pedestrians, Bicyclists, Lighting)

Interchanges (Visibility/Sight Distance, Lanes/Shoulders, Signing/Marking/Delineation, Pedestrians, Bicyclists, Lighting)

Signs and Lighting (Lighting, General Sign Issues, Sign Legibility, Sign Supports)

Markings and Delineation (General Issues, Centerlines/Edgelines/Lane Lines, Guide Posts & Reflectors, Curve Warning and Delineation)

Barriers and Clear Zones (Clear Zones, Barriers, End Treatments/Crash Cushions, Pedestrian Railing, Visibility of Barriers and Fences)

Traffic Signals (Operations, Visibility, Placement of Signal Heads)

Ulster County Road Safety Assements (RSA)

RSA Date: TBD

RSA Prompt List

Note Taker:

Location:

Date:

Time of Day:

General (2 of 2)

Pedestrians & Bicyclists (General Issues, Pedestrians, Bicyclists, Public Transport)

Older Drivers (Turning Operations, Channelization, Sight Triangles, Signing/Marking/Delineation, Traffic Signals)

Bridges & Culverts (Design Features, Barriers, Pedestrian and Recreational Facilities Delineation)

Pavement (Pavement Defects, Skid Resistance, Ponding/Icing/Snow, Loose Stones/Material, Manholes)

Parking

Provision for Heavy Vehicles (Design Issues, Pavement/Shoulder Quality)

Floodways & Causeways (Ponding & Flooding, Safety of Devices)

Other Safety Issues (Landscaping, Temporary Works, Headlight Glare, Roadside Activities, Signs of Possible Problems, Rest Areas, Environment, Median Curbing)
