

How important is public transportation to you?

Does it meet your needs? How would you improve it?

WE NEED YOUR HELP!

Ulster County Transportation Council (UCTC), in conjunction with other state and local public service agencies, is developing a Human Service Transportation Plan to help improve transportation options for residents of Ulster County. **We would like to hear about the transportation challenges, issues, and needs that you face.** Please sign up to participate in a focus group discussion on May 18th and make your voice heard!
