Planning Seminar Series

Floodplain Management - Considerations for Community Planning

Please join us for a lively and informative FREE seminar on Thursday, April 12, 2018 from 7:00 to 9:30 PM in the College Lounge at SUNY Ulster in Stone Ridge.

This presentation will focus on the basics of the National Flood Insurance Program (NFIP) and its implications for our municipalities and development approvals. Participants can expect to learn common flood hazard terminology, how to utilize and access Flood Insurance Rate Maps (FIRMs), how flood insurance works and common mitigation methods used to reduce the severity of damages to structures. Future state initiatives in response to climate change will be covered. For each topic local examples will be highlighted and discussed.
