ULSTER COUNTY TRANSPORTATION COUNCIL

WHEREAS, Ulster County Area Transit (UCAT) has a need to replace one (1) 30' cutaway low floor bus and two (2) 30' transit buses that are past their useful life; and,

WHEREAS, while the majority of the Dutchess County and Ulster County bus replacement needs can be funded through the regular allocations of FTA Section 5307/5340 and 5339 funding, a shortfall remains, and Dutchess County and Ulster County have requested that a portion of the unallocated Federal Fiscal Year (FFY) 2013 and FFY 2014 Section 5307/5340 funding be allocated to support this capital replacement project so that they may progress these projects during the 2015 FTA grant cycle; and,

WHEREAS, the three (3) TMA Transportation Councils have a need to support regional transit planning and the development of a regional transit plan, in an effort to better plan for and coordinate inter-county transit services, transit asset management, and the allocation of federal funds for those purposes; and,

WHEREAS, the three (3) TMA Transportation Councils wish to allocate certain previously unallocated FFY 2013 and FFY 2014 Section 5307/5340 funds in the amount of \$3,580,347 to support the aforementioned projects and purchases.

NOW THEREFORE BE IT RESOLVED, that the Ulster County Transportation Council (UCTC) agrees to the allocation of UZA 89 Section 5307/5340 formula funds as specified in Attachment 1.

CERTIFICATE, the undersigned, duly qualified and acting Secretary of the Ulster County Transportation Council, certifies that the foregoing is a true and correct copy of a resolution adopted by a vote on March 17, 2016.
