Subject: Revised estimate for Park Street Sidewalks

Michelle,

I just spoke to Don Fletcher and Joe Stoeckeler to clarify/revise the estimate provided below. To be conservative, we would recommend an estimate of \$110,000 for the 875LF of sidewalk improvements (i.e., unit rate of \$125/LF, based on recent bids for sidewalk improvement).

Regards,

Rebecca A. Minas

Subject: FW: Park Street Sidewalks

Michelle,

The re-bid now includes approximately 875LF (i.e., 605 LF on the west and 270 LF on the east side) of sidewalk improvements. The estimated cost of this work is \$96,250.

Please let me know if you need anything else.

Regards,

Rebecca A. Minas

Hon. Jeff Kaplan, Mayor
Village of Ellenville
2 Elting Court
Ellenville, NY 12428

Dear Mayor Kaplan:

I am pleased to inform you that I have secured funding for the State and Municipal Facilities Capital Program.

I will be seeking funding under that program for municipalities in my Senate District with a demonstrated need for municipal improvements. It is expected that the maximum grant will be \$100,000, although an exceptional application may be eligible for a higher amount.

Our Senate District consists of all or parts of four counties and it is expected that the total funding award will be limited.

At this time, I am requesting that you identify any need you wish to seek funding for. Projects will be reviewed for funding and then submitted to the Senate Finance Committee, which I am a member of, for consideration. Consideration will be given to income, critical nature of project, the amount of other State assistance previously provided to your community, and economic and quality of life impacts.

Please send your request, following the attached guidelines, in a letter signed by the Chief Executive Officer of your municipality indicating that a majority of the members of your Board's governing body agree with the request. A formal Board vote to send the letter is not necessary at this time but will be in the future if funding is awarded. Please make any request by July 14, 2014.

It is expected that projects will be selected for funding between August 1 and December 1, 2014. Should you have any questions on this matter please contact my office.

Sincerely,

A handwritten signature in black ink that reads "John J. Bonacic".

Re: State and Municipal Facilities

Dear Senator Bonacic,

The Village of Ellenville is in receipt of your letter dated May 14, 2014 regarding the secured funding that is available through the State and Municipal Capital Program.

The Village of Ellenville is eligible for this funding and would like to take advantage of the full amount of \$100,000.00.

The Village of Ellenville will be using the funding for two projects. The first project would be to replace the sidewalks on the east end of Park Street with an approximate cost of \$50,000. This project would greatly benefit the Village residents and the children that have to walk to school every day.

With the remainder of the money, the Village of Ellenville will be replacing about twenty storm basins. These basins are in dire need with all the recent torrential rain, snow and hurricanes.

Sincerely,

COPY
