Motion No. 1: Motion to Approve the May 24, 2023 Meeting Minutes

Motion made by: Commission Member Scott McCarthy

Seconded by: Commission Member David Donaldson

Discussion: None.

Voting in favor: Commission Members Mihm (Chair), Simonofsky, Tantillo, Kadgen,
McCarthy, Woltman, Donaldson

Voting against: None

Disposition: Motion No. 1 passed 7-0.

Public Comment: March Gallagher, Comptroller, informed the Commission that she submitted a resolution to the Ulster County Legislature to adopt a local law containing several of the Comptroller's proposed revisions which have been approved by the Commission. The changes are contained in Proposed Local Law No. 8 of 2023. Commission Members requested that a letter be drafted on behalf of the Commission expressing its support for the proposed local law.

Chair Mihm requested that a public hearing be set for July 6, 2023 at 5:00 PM and that the regular meeting start at 5:05 PM or immediately following the public hearing.

Commission Members discussed the process for sending proposed revisions to Articles II and III of the Charter directly to the ballot. Commission Members discussed whether the propositions can or should be sent to the Board of Elections individually or together.

Commission Members discussed the proposed change to C-29(B) as drafted by the subcommittee with regard to County Executive's list of succession and who can serve as an Acting County Executive. Commission Members discussed making the succession list subject to confirmation by the Legislature versus the proposed language which would make it so that only persons already confirmed by the Legislature can be designated to the succession list. Some Commission Members expressed concern that the proposed language would bar Deputy County Executives from serving on the succession list unless they have already been confirmed by the Legislature. Commission Members requested that the County Attorney's Office draft language to C-29(A) and (B) so that the succession list is subject to confirmation by the Legislature.

Motion No. 2: Motion to Request that the County Attorney's Office Draft Proposed Language Revising C-29(A) and C-29(B) Relating to the County Executive's List of Succession

Motion made by: Commission Member Mici Simonofsky

Seconded by: Commission Member Dave Donaldson

Discussion: None.

Voting in favor: Commission Members Mihm (Chair), Simonofsky, Tantillo, Kadgen, McCarthy, Woltman, Donaldson

Voting against: None

Disposition: Motion No. 2 passed 7-0.

Commission Members continued their review of the recommendations submitted by Tracey Bartels, Chair of the Legislature. With regard to recommendation numbers 17 and 18, the Commission Members decided to take no action.

Commission Members discussed Chair Bartels' recommendation number 19 which would permit the Legislature to designate a committee designated by the Legislature to hold the required public hearings on the proposed County budget, as opposed to requiring the full Legislature to hold such hearings. Commission Member Tantillo suggested amending the proposed language to clarify that the committee be a "standing committee."

Motion No. 3: Motion to Approve the Proposed Revision to C-37 As Set Forth in Chair Bartels' Recommendation # 19 as Amended to Permit the Legislature to Designate a "Standing Legislative Committee Designated by the Legislature" to Hold the Required Public Hearings on the Proposed County Budget

Motion made by: Commission Member Fawn Tantillo

Seconded by: Commission Member Scott McCarthy

Discussion: Commission Member Donaldson suggested that the order of the language be "standing legislative committee."

Voting in favor: Commission Members Mihm (Chair), Simonofsky, Tantillo, Kadgen, McCarthy, Woltman, Donaldson

Voting against: None

Disposition: Motion No. 3 passed 7-0.

Commission Members discussed Chair Bartels' recommendation number 20 to C-40(A) which would prohibit the County Executive from making revenue transfers if such transfer would have the effect of increasing the rate of pay or annual salary of any County employee. The proposal would further require the County Executive to give written notice to the Legislature of any transfer no less than 30 days prior to the date such a transfer is made. Commission Member Tantillo noted that the County Executive's Office opposes this recommendation. Chair Mihm expressed concern that this recommendation would diminish the power of the County Executive. Commission Member Donaldson expressed support of the change but noted that he did not like the wording. Commission Member Tantillo questioned whether the proposal should apply to rank-and-file employees.

Commission Member Tantillo expressed her support of the proposal in Chair Bartels' recommendation number 21. Chair Mihm expressed her opposition to recommendation number 21 because the Legislature should not direct a department head. Commission Member Simonofsky questioned whether recommendation number 21 implied that the Legislature oversees departments. Commission Member Woltman asked what was the rationale for extending Legislative oversight over other departments.

Commission Member Donaldson expressed his support for the "or increase" language in recommendation number 20. Commission Member Tantillo questioned whether the 30-day language in recommendation number 20 should be approved and proposed deleting the language

“or the County Executive’s authorized designee.” Assistant County Attorney Williams noted that the notice language refers to the allowed transfers, not the exceptions. Comptroller Gallagher expressed concern that 30-day notice of every budget transfer might not be workable.

Motion No. 4: Motion to Approve the Proposed Revision to C-40(A) only to the Extent of Adding the Words “Or Increase” and Not Including the Other Changes Proposed in Chair Bartels’ Recommendation #20

Motion made by: Commission Member Fawn Tantillo

Seconded by: Commission Member Mici Simonofsky

Discussion: Commission Member Tantillo clarified that the motion included only the “or increase” language and excluded the remaining language set forth in recommendation number 20.

Voting in favor: Commission Members Mihm (Chair), Simonofsky, Tantillo, Kadgen, McCarthy, Woltman, Donaldson

Voting against: None

Disposition: Motion No. 4 passed 7-0.

Commission Members continued discussing Chair Bartels’ recommendation number 21 to require that certain department heads perform “such other and related duties as required by the County Executive and County Legislature.” Commission Member Tantillo questioned whether there was a separation of powers issue. Commission Member Donaldson questioned whether the change would create confusion. Commission Members decided to take no action on recommendation number 21.

Commission Members discussed Chair Bartels’ recommendation number 22 which would revise C-41 by striking language that requires the Commissioner of Health to be a licensed physician.

Motion No. 5: Motion to Approve the Proposed Revision to C-41 to Strike Language Requiring the Commissioner of Health to be a Licensed Physician as Set Forth in Chair Bartels’ Recommendation #22

Motion made by: Commission Member Mici Simonofsky

Seconded by: Commission Member Scott McCarthy

Discussion: Commission Member Kadgen expressed his opposition.

Voting in favor: Commission Members Mihm (Chair), Simonofsky, Tantillo, McCarthy, Woltman, Donaldson

Voting against: Commission Member Kadgen

Disposition: Motion No. 5 passed 6-0.

Commission Members discussed Chair Bartels' recommendation number 23 which would change the way the Director of Planning is appointed and remove the Planning Board's ability to nominate candidates. Commission Member McCarthy noted that he is on the Planning Board. Commission Members discussed rejecting the changes but amending the current language to allow the Planning Board to give the County Executive a list of more than 3 nominees.

Motion No. 6: Motion to Reject the Proposed Revision to C-46 as Set Forth in Chair Bartels' Recommendation #23 and to Amend the Current Language in C-46 to Read "...At Least Three Nominees..."

Motion made by: Commission Member Scott McCarthy

Seconded by: Commission Member Brian Woltman

Discussion: None.

Voting in favor: Commission Members Mihm (Chair), Simonofsky, Tantillo, Kadgen, McCarthy, Woltman, Donaldson

Voting against: None

Disposition: Motion No. 6 passed 7-0.

Motion No. 7: Motion to Adjourn

Motion made by: Commission Member Dave Donaldson

Seconded by: Commission Member Fawn Tantillo

Discussion: None.

Voting in favor: Commission Members Mihm (Chair), Simonofsky, Tantillo, Kadgen, McCarthy, Woltman, Donaldson

Voting against: None

Disposition: Motion No. 7 passed 7-0.

Meeting adjourned at 6:46 PM.

**Re: Proposed Local Law Number 8 of 2023
Letter of Support**

Dear Executive Metzger, Chair Bartels, and Legislators:

I am writing on behalf of the Charter Revision Commission to express the Commission's support of the Charter revisions proposed by the Ulster County Comptroller and set forth in Proposed Local Law Number 8 of 2023.

The Commission voted on and approved the changes contained in Proposed Local Law No. 8 of 2023 with regard to sections C-53.B(9), C-57.B, C-57.G, C-57.H, and C-60.A.

For the avoidance of doubt, this letter does not constitute the Commission's written report under Section C-5(B)(3) of the Charter.

Sincerely,

Kathleen C. Mihm, Chair
Ulster County Charter Revision Commission

Cc: Comptroller March Gallagher

Charter/ Admin Code Review Recommendations – Legislature Submitted by Chair Bartels

1. The Legislature respectfully urges the Commission to review the Administrative Code in conjunction with the Charter, as the Administrative Code further clarifies certain sections of the Charter and changing the Charter without consideration of the Code may result in confusion and/or inadvertent modifications to the intent of affected Charter sections.
2. **Section C-5(B):** As set forth by the Chair at a prior Commission meeting, the Chair urges that the time frame set forth in Charter Section C-5(B) be left unchanged, requiring the Charter Revision Commission to convene every ten (10) years.
3. **Section C-5(B):** Section C-5(B) sets forth in part, as follows:

“Amendment or revision by Commission. Within five years after the enactment of this Charter, and at least every 10 years thereafter, a Charter Revision Commission shall be appointed to review and make recommendations to the County Executive and Legislature on amendments, additions or revisions to this County Charter.”

It is proposed that said language be amended as follows:

“Amendment or revision by Commission. ~~Within five years after the enactment of this Charter,~~ **No later than April 15, 2032** and at least every 10 years thereafter **in even-numbered years**, a Charter Revision Commission shall be appointed **and convened** to review and make recommendations to the County Executive and Legislature on amendments, additions or revisions to this County Charter. **Nothing shall preclude the convening of a Charter Revision Commission at any time should the County Executive and County Legislature agree on the need to convene the Commission.**”

4. It is proposed that **C-5(B)4** be amended as follows:

“The Commission, by two-thirds vote of its members, may place directly before the voters for their approval at referendum proposals to amend or

revise Charter provisions pertaining to the County in Article II or III of this Charter. These amendments or revisions must be filed with the Ulster County Board of Elections timely so as to allow a vote upon them at the next scheduled general election after the Commission reports. No later than one month before the scheduled referendum at which its adoption will be considered, the Commission must hold at least ~~one~~ **two duly noticed** public hearings on any Charter change proposed directly to the ballot. Amendments or revisions proposed directly to the ballot by the Commission will be deemed adopted if approved by a majority of voters casting ballots on the question during the next scheduled general election. Notwithstanding other provisions of this Charter, if the Charter Commission proposes a matter for direct ballot consideration, the Commission will continue to function until the day after election day of the year of consideration of its proposal on the ballot.”

5. It is proposed to amend **C-6 Definitions** –
 - 1) Strike the definition for CLERK as Clerk of the Legislature and County Clerk are understood within each applicable Charter section and this definition adds confusion.
 - 2) Add a definition of DEPARTMENTAL ESTIMATES to read “Also referred to as Departmental, Agency, Office or Unit Estimates. Any and all documentation setting forth preliminary and/or final budget estimates for a given department agency, office or unit within Ulster County Government, together with any and all supporting documentation relied upon during the creation of said estimate(s), including reports, memorandums, graphs and/or charts. Departmental Estimates include estimates of expenses and revenues but are not required to include both.”
6. **Section C-9(B)** – No County Legislator shall hold at the same time any other elective public office. It is respectfully suggested that membership on a School Board be exempt from the prohibition set forth in Section C-9(B).
7. Correct typo in **C-10E** – “The first meeting of the Commission shall be convened by the County Executive no later than 15 days after it is fully appointed/ for the purposes of receiving its charge and determining how a Chairperson will be selected.

8. **Section C-10F** - Commission on Reapportionment – It is requested to add the words “and state law” to the end of C-10F(1) ... “The Commission shall be guided by the criteria set forth in § C-10A of the County Charter and state law.” It is requested to amend C-10F(3) as follows:

“The Commission shall hold ~~one or more~~ a minimum of three geographically diverse and duly noticed public hearings on or prior to May 20 of each year ending in “2” and shall make its draft plan available to the public for inspection and comment not less than 10 days before such public hearing.”

It is requested that a new section be added, F (7), setting forth as follows:

“Notwithstanding any other provision of this Section, the Commission may reconvene after the date on which the proposed redistricting plan is submitted to the Board of Elections, to correct errors or omissions, or to undertake any further action as required by law.” (The Chair has requested language from the County Attorney regarding this proposed amendment.)

9. **Section C- 11 (H)**: should be amended to prohibit the renaming of positions in Ulster County Government without Legislative oversight and approval, as follows:

“To fix the compensation of all officers and employees paid from County funds or, for employees not covered by a collective bargaining agreement, to establish salary ranges within which the appointing authority shall have discretion to set the actual salary within the range. **Position title(s) for all budgeted county employment positions in Ulster County Government shall not be changed or otherwise modified from the position titles set forth in the adopted Ulster County Budget, unless such changes or modifications are required pursuant to New York State Civil Service Law, or Resolution adopted by the Ulster County Legislature.**”

The Legislature performs its duty of fixing compensation and establishing a salary ranges pursuant to those titles listed in the budget and the changing of titles outside of this process is an infringement on Legislative authority.

10. **Section C-11(O)**: The Legislature respectfully urges the Commission to keep the contract approval threshold at 50K.

11. It is requested to amend **C-20(A)** to strike the word “a” as follows:

“There shall be ~~a~~ Counsel to the Legislature...”

12. It is requested to amend **C-25(H)** as follows:

“Except as otherwise provided in this Charter, serve as an ex officio member of and appoint, supervise and terminate all executive committees, commissions and boards needed to assist him or her in the exercise of his or her executive functions and in the planning, formulation and administration of executive ~~policies~~ **procedures** and programs...”

13. It is requested to strike **C-25(P)**:

~~“To conduct studies and investigations in furtherance of his or her executive functions and, in connection therewith, to obtain and employ professional and technical advice, appoint citizens’ committees, commissions and boards,”~~ as it is duplicative of C-25H and C-25H is referenced and reinforced in C-28.

14. **Section C-26:** The Charter does not currently require that notice be given to the Legislature when a vacancy is created by the departure of a department head or head of an administrative unit. In turn, an amendment to Section C-26(C) should be made, as follows:

“All appointments, whether or not subject to confirmation of the County Legislature, shall be in writing, signed by the County Executive, and filed in the office of the Clerk of the County Legislature within 10 days after the date of appointment. Except as otherwise provided in this Charter, **or state law**, no such appointee shall hold office beyond the term of the County Executive by whom the appointment was made. Unless removed, an appointee shall continue to serve until his or her successor is appointed and has qualified, or until an interim appointment is made. **The County Executive shall notify the Legislature, in writing, within ten (10) days from the date a vacancy occurs in any position appointed by the County Executive, pursuant to this Section.**”

15. **Section C-29(D):** The Legislature concurs that there is a timing issue related to the vacancy and the special election that needs to be addressed. There are concerns about not having a protracted period with an appointed Executive.

16. **Section C-29 (G):** Section is confusing and its purpose unclear in relation to the first day and the 45 day period. It is suggested to clean up language.

~~“Commencing with the enactment of these provisions, the County Executive shall, on or before December 1, 2012, and for every new County Executive~~

~~entering into a term thereafter on the first day of such term, be authorized to file the name of two persons to serve as Acting County Executive to take effect immediately. Within 10 days thereafter of taking office, the County Executive shall file a list with the County Clerk and Clerk of the County Legislature consisting of a list of one or more names to serve as Acting County Executive. Such list shall take precedence over the first persons initially designated 45 days after the filing of such list. Such list may be modified from time to time, but shall not take effect until the expiration of 45 days the entire duration of which the County Executive who filed such list shall have had to remain in office, or such list shall not otherwise take effect. During such forty-five day period, the prior list shall remain in effect. In the absence of such written designation of order of succession and in the event of the County Executive's inability to perform and exercise the powers and duties of his or her office, the County Legislature shall appoint a person then serving in County government to serve as Acting County Executive."~~

17. **Section C-34(A):** The Legislature respectfully requests that the release date for the proposed budget be advanced by one (1) month, i.e. **no later than August 31st (as suggested by some Commissioners). The full Legislature is in agreement and firmly believes this is necessary in order to perform its duties pursuant to the Charter. The current 2 month schedule has proven time and time again that it is not sufficient time for review and evaluation of the Executive's proposal.** ~~the first or second Friday in September. Also Section C-34(A), calls for a six year capital program but the Ulster County program has consistently been five years.~~ **Please disregard this last sentence about the capital program.**

18. It is requested **C-34 (B)** be amended as follows:

"The proposed County budget shall be balanced, with projected revenues equaling or exceeding estimated expenses for the next ensuing fiscal year, and shall be presented in three sections, one of which shall set forth the estimated revenues and receipts, one of which shall set forth the estimated expenses, and one of which shall set forth the proposed capital authorizations and expenditures. A statement of actual expenses and actual revenues for the **three** immediately preceding completed fiscal years, budgeted expenditures and revenues for the current fiscal year, and expenditures and revenues to date for the current fiscal year shall be included in the proposed County budget, prepared in a format that facilitates year-to-year comparison. The proposed County budget shall present the complete financial plan for the County and its agencies for the next ensuing

fiscal year, including setting forth proposed borrowing, if any. An estimate of unencumbered balances at the end of each completed fiscal year, except when otherwise provided by law or appropriated for a capital improvement or other authorized continuing project, shall be treated as revenue for the County budget for the next ensuing fiscal year.”

19. **Section C-37:** A proposed amendment to Section C-37, is set forth below:

“C-37. Beginning no later than the third Friday of November of each year, the Legislature, or **Legislative committee designated by the Legislature**, shall hold, in at least three geographically dispersed locations in the County, public hearings on the County Executive's proposed County budget, the budget message submitted by the County Executive, the report resulting from the review and analysis of that budget and message by the Legislature or its designated committee. The Clerk of the Legislature shall cause to be posted on the County website published in the official newspaper of the County and such other newspapers as may be designated by the Legislature notices of the places, locations and times when these hearings shall be held, their purposes, a concise summary of the proposed County budget, budget information, together with copies of the proposed budget, the budget message and the report submitted by the Legislature or its committee may be inspected or obtained by any interested person. At least 10 days shall elapse between the publication of a notice and the date specified for any budget hearing. At a budget hearing any person may be heard. Insofar as necessary and practicable within the deadline for the timely final adoption of the County budget, a budget hearing may be adjourned to a date certain or from day to day.”

20. **Section C-40 (A):** It is respectfully submitted that Section C-40 should be amended, as follows:

A. “The County Executive shall manage the County's resources to achieve maximum economy, efficiency and effectiveness in County government. Pursuant to this responsibility he or she may, during any fiscal year, transfer part or all of any revenue or expenditure within a program or purpose of any department, agency, office or unit to another program or purpose within that department, agency, office or unit, except that the effect of such a transfer, unless used for payroll related expenses, may not be to reduce **or increase** the rate of pay or annual salary of any County employee employment position, regardless of whether said employment

position is vacant or filled in a given year. Written notice of such a transfer shall be given **by the Ulster County Executive, or the County Executive's authorized designee**, to the Legislature **no less than 30 days prior to the date such a transfer is made."**

21. It is requested to standardize language for all department heads by adding the following to each department where missing, "Department head title X shall perform such other and related duties as required by the County Executive and County Legislature." Missing from:

C-41 Commissioner of Health or Public Health Director

C-44 Commissioner of Mental Health

C-61 Personnel Director

C-69 County Attorney

C-75(B) Director of Economic Development- strike "as appropriated by the"

C-90 Fire Coordinator

C-96 Director of Probation

C-113 Director Emergency Communications/Emergency Management;
Office of Civil Defense

- Below note applies to this request and also the Executive request to remove authority Charter already grants in relation to Planning and Purchasing Director.

Pursuant to C-11, the County Legislature shall be the legislative, appropriating and policy-determining body of the County and, as such, shall have and exercise all powers and duties now or hereafter conferred upon it by applicable law and any and all powers necessarily implied or incidental thereto, including but not limited to express legislative authority over the subject matter outlined in Section 11(a)-(p).

Pursuant to C-47 and 74, the Legislature and Executive are expressly authorized to compel both the Director of Planning and Director of Purchasing to perform such "other and related duties" as required by the County Legislature and County Executive. Legislative action authorized by the Charter Sections C-47 and C-74 is subject to the same system of checks and balances as all other Legislative initiatives. A resolution must be drafted, considered in the appropriate Legislative committee, passed by a majority of the members of said committee, then passed by a

majority vote of the full Legislative body. Such a resolution is subject to veto by the County Executive. A veto may be overridden by the Legislature, provided two thirds of the full Legislative body vote to do so.

The Legislature, as the sole appropriating and policy determining body of the County, is required to enact countywide policies, make appropriations and otherwise exercise "all powers and duties" conferred upon it and any such other related duties as required by the Charter. Accordingly, it is essential for the Legislature to have the ability to compel the heads of not only the Planning and Purchasing departments, but all County departments, to take action to provide critical information and other resources that the Legislature requires to develop policy and appropriate funding in an effective manner. To deny the Legislature the authority to compel department heads to take action impairs the Legislature's ability to function in the manner prescribed by the Charter and fosters an unbalanced power structure in county government.

22. It is requested to strike the following language in **C-41**:

~~“There shall be a Department of Health, headed by a Commissioner of Health or a Public Health Director and Medical Consultant. The Commissioner of Health or Public Health Director shall meet the qualifications for this position specified in the New York State Public Health Law and Sanitary Code. In addition, he or she shall be a licensed physician with experience in public health...”~~

23. It is requested to strike and add language in **C-46**:

~~“There shall be a Department of Planning, headed by a Director of Planning. The County Executive shall appoint the Director of Planning from among three nominees given him or her by the Ulster County Planning Board, subject to confirmation by the Legislature.” The Planning Board may nominate only persons possessed of at least the minimum educational attainments, professional qualifications and administrative experience set out in New York State law. In the event that the County Planning Board fails to bring forward to the County Executive three recommendations for the position within 90 days of the occurrence of a vacancy, the County Executive shall make the appointment on his or her own initiative, subject to confirmation by the Legislature. The Director of Planning shall be appointed on the basis of his or her professional training and experience and other qualifications for the responsibilities of that office.~~

24. **Section C-50(B)** states the capital improvement program is prepared by the Department of Planning (strike the words prepared by the Department of Planning) “To review the capital improvement program ~~prepared by the Department of Planning~~ and guidelines for its preparation; to make written recommendations to the County Executive and the County Legislature...”

This power already vests with County Executive to decide pursuant to C-25 (I) where the Executive is to “Serve as the chief budgetary officer of the County, and as such, prepare and submit to the County Legislature the annual budget, capital program, and accompanying message...”

25. It is requested to amend **C-50(C)** as follows:

“To review the Comprehensive Plan and to submit its recommendations on it to the County Executive and County Legislature and to make recommendations on any proposed amendments to that plan prior to action being taken on such amendments by the County government and to review procedural guidelines for the coordination and preparation of the Comprehensive Plan and annual planning program.”

26. **Section C-53** – Commissioner of Finance- add language “shall devote full working time to the duties of the office”

27. **Section C-53(C)** Director of Real Property Tax Service – Legislature should confirm appointment. (Same already adopted by Commission for C-69 County Attorney)

“There shall be, within the Department of Finance, an independent Division of Real Property Tax Service under the direction of a Deputy Commissioner of Finance/Director of Real Property Tax Service, who shall be appointed by the County Executive, **subject to confirmation by the County Legislature**, and serve at the pleasure of the County Executive.

28. Delete and Reserve **C-54** Transition

29. It is requested to amend **C-57 (H)** as follows:

“To conduct studies and investigations in furtherance of his or her functions and, in connection therewith, to obtain and employ professional and technical advice, ~~appoint citizens' committees, commissions and boards,~~ subpoena

witnesses, administer oaths, and require the production of books, papers and other evidence deemed necessary or material to such studies or investigations. A subpoena issued under this section shall be regulated by the Civil Practice Law and Rules together with any state or federal laws or rules that may be applicable. The subpoena shall not extend to disclose the identity or jeopardize the safety of victims, confidential informants, witnesses, and undercover officers or operatives;”

30. It is requested to amend **C-62 (B)** Commissioner of Social Services as follows: “Powers and duties. Except as may otherwise be provided in the Charter, the Commissioner shall manage and/or supervise all social services ~~institutions~~ programs and facilities owned or operated by the County.”
-

- ~~31. It is requested to replace the word “personal” with the word “tangible” in C-63(4) Commissioner of Public Works as follows:~~

~~“Have charge of and have the duty of performing such other functions concerning County real and personal **tangible** property, public works and other matters as the County Executive and Legislature may, from time to time, direct;”~~

Please disregard this request.

- ~~32. **Section C-77** Public Defender — possible removal of language “shall devote full working time to the duties of the office” **Please disregard this request.**~~

33. Delete and Reserve **Article XLII**. Department of Community Corrections (Same for XXIX Department of Residential Health Care Facilities – Potential Replacement with adoption of Department of Budget)

34. It is requested to require further member diversification on the Human Rights Commission by amending **C-101(B)** as follows:

“... Appointments shall be representative of the ~~various religious, racial, ethnic and nationality~~ **diversity** groups in Ulster County's communities. Consideration shall be given to **representation of gender, gender identity, racial, ethnic, socioeconomic, age, cultural, religious, geographic and disability diversity.**

35. Suggested general revision – clarify “in writing” is original signature. **This is in regards to section C-12 – submission of enactments for executive approval. Each unique and original resolution is physically presented to the Executive for consideration. When returned, the Clerk maintains each original document. The integrity of this process and these legal documents should be maintained.**

A charter is the foundation of a local government and functions as the municipal equivalent of a state or federal constitution, setting forth guiding principles for governance, it provides stability and consistency to a local government. The process of drafting charter amendments is not an easy undertaking, it is a major task that has long-lasting impacts - not just for the local government, but also for its residents. The process requires the commitment, time, and talents of citizens and governmental staff.

As such, it is my pleasure to thank those who have donated their time and effort to serving on the Charter Revision Committee to undertake this tremendously important task.

I respectfully submit the following recommendations for charter change to the Charter Revision Committee.

Sincerely

Jen Metzger
