2023 Proposed Charter Revision

Enclosed please find a submission by the Ulster County Charter Revision Commission. The Commission respectfully requests the Board of Elections place the following question on the ballot at the General Election this year. The Resolution by the Commission as well as the proposed language changes to the Ulster County Charter are attached.

1. The Commission requests that the Proposal be titled as follows:

“Proposal _____ – Allowing for the Revision of the Ulster County Charter § C-29 Acting County Executive

2. The Commission requests that the Question appear as follows:

Proposal Number _____, an Amendment – “Shall Section C-29 of the Ulster County Charter, which establishes the process to fill a vacancy in office of County Executive, be amended to: Provide time to hold primaries to nominate candidates for the next General Election; and Require the Ulster County Legislature, as representatives of the electorate, to confirm the County Executive’s selection of qualified electors for Acting County Executive?”

3. The Commission requests that the Abstract appear as follows:

The purpose of this Ballot Question is to allow the voters of Ulster County to determine if the process for filling a vacancy in the Office of County Executive should be amended to allow adequate time to hold primaries to nominate candidates for the ballot at the next General Election. This would replace the current process wherein political parties select candidates without a primary for a Special Election. It would also require the County Legislature, as representatives of the electorate, to approve the succession line of any qualified electors the County Executive selects to serve as Acting County Executive until the next General Election. These Amendments are proposed by the Ulster County Charter Revision Commission.

If a majority voting on this Question votes NO, the proposed Charter revisions will not be adopted.

If a majority votes YES, the proposed Charter revisions will be adopted.

TEXT OF SECTION C-5 allowing the Charter Revision Commission to place its proposed revisions to the Ulster County Charter directly before the voters for their approval.

§ C-5, B. (4) of the Ulster County Charter states *“The Commission, by two-thirds vote of its members, may place directly before the voters for their approval at referendum proposals to amend or revise Charter provisions pertaining to the County in Article [II](#) or [III](#) of this Charter. These amendments or revisions must be filed with the Ulster County Board of Elections timely so as to allow a vote upon them at the next scheduled general election after the Commission reports. No later than one month before the scheduled referendum at which its adoption will be considered, the Commission must hold at least one public hearing on any Charter change proposed directly to the ballot. Amendments or revisions proposed directly to the ballot by the Commission will be deemed adopted if approved by a majority of voters casting ballots on the question during the next scheduled general election. Notwithstanding other provisions of this Charter, if the Charter Commission proposes a matter for direct ballot consideration, the Commission will continue to function until the day after election day of the year of consideration of its proposal on the ballot.”*

Chair Mihm called the meeting to order at 5:24 PM.

Chair Mihm noted that Commission Member Mici Simonofsky is participating remotely due to extraordinary circumstances.

Commission Member Tantillo requested that the review of the June 8, 2023 meeting minutes be postponed. Chair Mihm agreed to move the review of the minutes to the end of the meeting.

Public Comment: None.

Chair Mihm recognized Johanna Contreras, Deputy County Executive, who discussed the statement submitted by the County Executive's Office opposing the proposed Charter revision to

subject the Executive line of succession to Legislative approval. Deputy CE Contreras advised the Commission that, while the proposed change would not be the preference of the Executive, the Executive understands the change in the context of the other changes being made to Section C-29 of the Charter.

The Commission Members next discussed the draft resolution and ballot language for the proposed changes to Section C-29 of the Charter. Commission Member Tantillo noted that certain language from C-29(B) was moved to C-29(H). Commission Member Kadgen spoke in support of including a safety valve so that if a long-term Acting County Executive was not living up to expectations, then a supermajority of the Legislature could call for a special election. Commission Members discussed whether the proposal should be included in this revision or separately. Commission Members Tantillo and McCarthy spoke in support of the draft ballot language. Commission Member Harris spoke in favor of working to improve the draft language in order to highlight the benefits of the changes to the public. Assistant County Attorney Williams noted that the ballot language should not be a piece of hard advocacy. Commission Member Kadgen noted that advocacy is the Commission's job. Chair Mihm noted that the abstract is a flyer that is prepared and presented at the polling site. Chair Mihm agreed that the abstract and ballot language should not contain advocacy. Commission Member Harris reiterated her position that the ballot language needs to be revised and reworked. Comptroller March Gallagher spoke in support of revising the ballot language. Commission Members discussed potential changes to the abstract and ballot language.

Commission Members Harris and Tantillo offered to work on revising the language and sharing the draft with First Assistant County Attorney Gumaer prior to the next meeting.

Commission Member Tantillo questioned whether the SEQRA language needed to be included in the resolution. First Assistant County Attorney Gumaer noted that such language was in the resolution for the 2018 Charter Revision Commission. Commission Member Simonofsky noted that there was no harm in keeping the SEQRA language. The County Attorney's Office will confirm whether such language is necessary.

Commission Member Kadgen spoke in support of holding the public hearing before the Commission makes the decision is made to go referendum. Commission Members noted that there have been previous public hearings and public comment, and that the public will make the final decision at the ballot. Commission Members discussed whether there was enough time to hold the public hearing prior to making the decision. Commission Members discussed holding the public hearing prior to the regular meeting on August 3, 2023 if there is enough time for the legal notices. Assistant County Attorney De Leo advised the Commission that he will report back at the next meeting. Assistant County Attorney Williams noted that the Charter contemplates this kind of situation where the hearing happens after the decision to send issues directly to the ballot.

Commission Member Frank Cardinale left the meeting at 6:08 PM.

Commission Member Tantillo requested that the minutes be revised to state the full motion instead of referring to a separate document. Commission Members agreed that the minutes should be revised for the next meeting. Assistant County Attorney De Leo will revise the draft minutes for the next meeting.

Motion No. 1: Motion to Adjourn

Meeting minutes prepared by Assistant County Attorney Dante De Leo

A charter is the foundation of a local government and functions as the municipal equivalent of a state or federal constitution, setting forth guiding principles for governance, it provides stability and consistency to a local government. The process of drafting charter amendments is not an easy undertaking, it is a major task that has long-lasting impacts - not just for the local government, but also for its residents. The process requires the commitment, time, and talents of citizens and governmental staff.

As such, it is my pleasure to thank those who have donated their time and effort to serving on the Charter Revision Committee to undertake this tremendously important task.

I respectfully submit the following recommendations for charter change to the Charter Revision Committee.

Sincerely

Jen Metzger

Recommendation 1:

To be in alignment with best practices regarding language and inclusivity, we propose that all instances in which gender specific terms including but not limited to she, her, hers, he, his; be replaced with gender neutral terminology such as: they, them, their, theirs; as there is no guarantee of the gender of the individual holding or to hold position being referred to. Current language is exclusive of individuals who identify as non-binary or without gender.

Recommendation 2:

§ C-28. Advisory committees, commissions and boards.

Members of all committees, commissions and boards appointed pursuant to § C-25H of this Charter shall serve at the pleasure of the County Executive without compensation other than for actual and necessary expenses within appropriations made therefor, unless otherwise provided by resolution of the County Legislature; provided, however, that in the case of individuals appointed hereunder for definite terms, no removal shall be made until the person to be removed has been served with notice of the reasons for such removal and given an opportunity to be heard publicly if he or she desires thereon by the County Executive. The decision of the County Executive shall be final.

Individuals who serve on Ulster County Boards are serving functionally as representatives of Ulster County, and as such, must be in compliance with Ulster County's Standard Operating Procedures and Training Requirements. Every Board Member of an Ulster County Government board shall be mandated to complete an ethics training provided by the Ulster County Attorney's Office within 1 year of employment, and every year thereafter.

Recommendation 3:

§ C-33. Departmental, agency, office or unit estimates. [Amended 6-16-2020 by L.L. No. 3-2020]
