

2023 Proposed Charter Revision

Enclosed please find a submission by the Ulster County Charter Revision Commission. The Commission respectfully requests the Board of Elections place the following question on the ballot at the General Election this year. The Resolution by the Commission as well as the proposed language changes to the Ulster County Charter are attached.

1. The Commission requests that the Proposal be titled as follows:

“Proposal _____ – Allowing for the Revision of the Ulster County Charter § C-29 Acting County Executive

2. The Commission requests that the Question appear as follows:

Proposal Number _____, an Amendment – “Shall Section C-29 of the Ulster County Charter, which establishes the process to fill a vacancy in office of County Executive, be amended to: Provide time to hold primaries to nominate candidates for the next General Election; and Require the Ulster County Legislature, as representatives of the electorate, to confirm the County Executive’s selection of qualified electors for Acting County Executive?”

3. The Commission requests that the Abstract appear as follows:

The purpose of this Ballot Question is to allow the voters of Ulster County to determine if the process for filling a vacancy in the Office of County Executive should be amended to allow adequate time to hold primaries to nominate candidates for the ballot at the next General Election. This would replace the current process wherein political parties select candidates without a primary for a Special Election. It would also require the County Legislature, as representatives of the electorate, to approve the succession line of any qualified electors the County Executive selects to serve as Acting County Executive until the next General Election. These Amendments are proposed by the Ulster County Charter Revision Commission.

If a majority voting on this Question votes NO, the proposed Charter revisions will not be adopted.

If a majority votes YES, the proposed Charter revisions will be adopted.

TEXT OF SECTION C-5 allowing the Charter Revision Commission to place its proposed revisions to the Ulster County Charter directly before the voters for their approval.

§ C-5, B. (4) of the Ulster County Charter states *“The Commission, by two-thirds vote of its members, may place directly before the voters for their approval at referendum proposals to amend or revise Charter provisions pertaining to the County in Article [II](#) or [III](#) of this Charter. These amendments or revisions must be filed with the Ulster County Board of Elections timely so as to allow a vote upon them at the next scheduled general election after the Commission reports. No later than one month before the scheduled referendum at which its adoption will be considered, the Commission must hold at least one public hearing on any Charter change proposed directly to the ballot. Amendments or revisions proposed directly to the ballot by the Commission will be deemed adopted if approved by a majority of voters casting ballots on the question during the next scheduled general election. Notwithstanding other provisions of this Charter, if the Charter Commission proposes a matter for direct ballot consideration, the Commission will continue to function until the day after election day of the year of consideration of its proposal on the ballot.”*
