*** Planned EV Charging Hub**

The public EV Charging Hubs are planned for installation by 2025 and will consist of the following Livingston EV chargers:

- UC Courthouse: 10 Level 2 plugs.
- Development Court & Trudy Resnick Farber: 4-6 Level 2 plugs & 2 DC Fast Chargers (180 kW, 4 CCS combo plugs) at each facility.

Current information on all public EV chargers can be found at [PlugShare.com](https://www.plugshare.com).
