RE: 2020 Health Insurance Rates and Important Changes
For **Non-Medicare Eligible Retirees**

In 2020, the County will continue to offer Empire Blue Cross / Blue Shield PPO – now PPO20 and Direct POS -now POS20 medical programs as provided in 2019. However, we are happy to announce the addition of a third option – the PPO25. Included on page 4 of this letter is the chart that shows the coverage and cost differences in the plans. You are encouraged to review the PPO25, especially if you live outside of the Hudson Valley and are currently paying for the more expensive PPO plan. The EPO plan offered in 2019 will NOT be offered in 2020.

EVERYONE MUST RESPOND TO THIS LETTER BY COMPLETING THE FORM ON THE BOTTOM OF PAGE 4 AND RETURNING IT DIRECTLY TO THE BENEFITS OFFICE BY NOVEMBER 29, 2019

The new premium amount for 2020 will begin with your December 15, 2019 premium payment withdrawal. Failure to provide funding for your premium will result in cancellation.

Medical and Prescription Benefit ID Cards – All Empire BCBS cards and Express Scripts cards will continue to be valid for 2020. If you choose the new PPO25 you will receive new cards.

Medical Benefits - Coverage descriptions, and benefit comparisons are available on the Personnel Department website at:

<http://ulstercountyny.gov/personnel/new-current-employees/benefits-management>

(click on '2020 Non-Medicare Eligible Retiree Health Insurance Benefit Information'), or from the Benefits Office.

We strongly encourage you to review the information provided. We encourage you to visit the **empireblue.com** website to see what programs your doctors may participate in, so you may make the best plan choice for you and your family. The new PPO25 plan may serve your needs well and provide you and your family a considerable savings. If you desire to make coverage changes, please inform the Benefits Office in writing of your new plan choice.

Dental Coverage Change - Our dental coverage is still provided by Met Life Dental. The coverages are identical to the 2019 coverages.

Vision Coverage - Our vision coverages remain with Davis Vision. No changes have been made and your current card will continue to be valid.

Please be reminded that the County offers a Medicare supplement health plan or a Medicare buyout to retirees when they become Medicare eligible. It is mandatory for retirees and dependents to switch to a Medicare plan immediately when said plan is available to them. Please notify the Employee Benefits Office three months prior to Medicare eligibility so that a smooth transition can be accomplished. Failure to notify the Benefits Department of Medicare eligibility will result in repayment of any claims payments made due to this error. Please call Kevin Roach, Employee Benefits Administrator; (845) 340-3545 to discuss your plan choices.

Urgent Care Out of Network Reminder – Our Urgent Care Copay, both in and out of network, is \$20/\$25 for PPO25. If you or a covered family member cannot locate an in-network urgent care center, you may go to an out of network center and pay the \$20/\$25 PPO25 copay. This is advantageous since the cost of going to the emergency room includes a copay of \$100/\$200 for PPO25. This can be especially useful when you are traveling away from home.

Prescription Drug Coverage - Prescription coverage is provided by Rx Benefits for Express Scripts, Inc. The co-pays for prescriptions for 2020 are the same as 2019. The formulary is available at the website listed above. The copays are: PPO - \$10/\$25/\$40 POS - \$5/\$20/\$40 PPO25 - \$10/\$25/\$40

Ulster Scripts Zero Co-pay Mail Order Brand Name Drug Program - For 2020, our non-Medicare eligible retirees may continue to purchase brand-name maintenance medications through a mail order program without paying any co-pay. The information and forms, including the list of available medications for the Ulster Scripts program, are available on the Personnel Department website in the aforementioned Benefits Book or at the Benefits Office. The Ulster Scripts (Certain Brand Name Drugs For Free) program is available to all retirees covered by the Empire Blue Cross Blue Shield plans. There have been changes to the classification of some drugs, so please check the formulary.

Live Health Online – Live Health Online is now a covered benefit under our Health Plan. With a computer and webcam, or applicable smartphone app, you can talk to a medical professional 24/7, 365 days a year. You can be at home, at work, or out of town (though not all services may be available in all locations.) No appointment is necessary to speak with Live Health Online. This benefit saves time and costs the same as a primary care office visit. To activate your account, go to **livehealthonline.com** on your computer or download the appropriate application from your smartphone's store.

Empire Blue Cross Blue Shield Premiums - The following chart shows the retiree share of monthly premium (includes medical, prescription, dental and vision coverage). **For your reference, your Ulster County percentage is printed after your name on your envelope label.**

If you have any questions, please call Kevin Roach, Employee Benefits Administrator at (845) 340-3545 or Mary Connolly, Employee Benefits Specialist, at (845) 340-3546.

More information about your coverages can be found at: <https://ulstercountyny.gov/personnel/index.html>

The following is a list of the most commonly prescribed drugs. It represents an abbreviated version of the drug list (formulary) that is at the core of your prescription plan. The list is not all-inclusive and does not guarantee coverage. In addition to using this list, you are encouraged to ask your doctor to prescribe generic drugs whenever appropriate.

PLEASE NOTE: Brand-name drugs may move to nonformulary status if a generic version becomes available during the year. Not all the drugs listed are covered by all prescription plans; check your benefit materials for the specific drugs covered and the copayments for your prescription plan. For specific questions about your coverage, please call the phone number printed on your member ID card.

CONFIRMATION AND REPRESENTATIONS

I enter into this agreement with CanaRx Services Inc. at Windsor, Ontario, Canada, and CanaRx Group Inc. at Christ Church, Barbados (collectively referred to as "CanaRx") so that I may obtain access to medically-necessary and lawfully prescribed drugs at low costs.

I represent:

1. I am of the age of majority in the jurisdiction in which I ordinarily reside.
2. I am not restricted from making my own medical decisions under the laws of the jurisdiction in which I ordinarily reside.
3. I certify that I am a resident of the United States and not a resident of any other country.
4. I am under the care of a duly qualified and licensed physician in the United States (my "U.S. physician") and the medicine that I ask CanaRx to assist me in obtaining was prescribed for me by my U.S. physician.
5. My U.S. physician has examined me within the last 12 months and will examine me at least once every 12 months while I am taking medicine.
6. Any medicine that I ask CanaRx to assist me in obtaining is medicine that I have already taken, under my U.S. physician's orders and supervision, for at least 30 days prior to placing an order for the medicine through CanaRx.
7. My care by my U.S. physician is ongoing and I do not seek and will not rely on any medical information from CanaRx or any CanaRx contracted physician.
8. I have not violated any laws in the jurisdiction in which I ordinarily reside (or, if different, in the jurisdiction in which the prescription was issued) in obtaining the prescription for the ordered product.
9. The prescription issued by my U.S. physician has not been altered in any way nor has it been filled previously.
10. I will use any medications obtained for me through CanaRx strictly in accordance with the instructions provided by my U.S. physician.

13. In the event that I suffer any side effects from any medication obtained for me by CanaRx, I will immediately contact my U.S. physician.
14. All information that I give to CanaRx is true.

AUTHORIZATION AND CONSENT

I consent to, and authorize, the following:

1. I hereby appoint CanaRx and its delegates and contractors (collectively referred to as "CanaRx") as my paid agents and attorneys-in-fact for the purposes of obtaining prescriptions which correspond to the prescriptions issued by my U.S. physician and of arranging for pharmacies to dispense to me medications as prescribed.
2. CanaRx may perform any act that I could myself perform in having my prescription reviewed by any physician, pharmacist, or pharmacy technician and in having the prescribed medication dispensed by a pharmacy and delivered to me.
3. CanaRx may arrange the purchase and delivery of the medications prescribed to me, on the terms set forth in this agreement, as if I personally took such actions.
4. I authorize and instruct my U.S. physician to release to CanaRx (and any CanaRx contracted physician, pharmacist, and pharmacy technician) any and all personal medical information pertaining to me ("Personal Medical History"), including but not limited to all medical records, medical reports, progress notes, nurses' notes, reports on diagnostic tests, medical opinions, X-ray records, imaging records, laboratory reports, and/or any other knowledge or information which my U.S. physician may possess.
5. I agree to instruct my U.S. physician to issue my prescription on paper (if necessary for dispensing by a pharmacy located outside my U.S. physician's jurisdiction) and to send (by mail, by fax, via the internet or otherwise) to CanaRx from my U.S. physician's office the original signed copy of the prescription.
6. CanaRx and its contracted physicians, pharmacists, and pharmacy technicians may contact my U.S. physician to discuss my prescription if necessary.

Important Notice from Ulster County About Your Prescription Drug Coverage and Medicare

Effective: January 1, 2020

If you and/or your dependent(s) have Medicare or will become eligible for Medicare in the next 12-months, please take special care in reviewing this notice.

You should keep this notice where you can find it!

This notice has information about your current prescription drug coverage and prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare prescription drug coverage and can help you decide whether or not you want to enroll. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage Plans that offer prescription drug coverage. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Ulster County has determined that the prescription drug coverage offered is on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay and is considered **Creditable Coverage**.

Because the coverage is on average at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

3. Ulster County has determined that the prescription drug coverage is on average for all plan participants, NOT expected to pay out as much as the standard Medicare prescription drug coverage will pay and is considered **Non-Creditable Coverage**. Not Applicable Applicable

This is important because for most people enrolled in the above NON-CREDITABLE plans, enrolling in Medicare prescription drug coverage means you will get more assistance with drug costs than if you had prescription drug coverage exclusively through the above NON-CREDITABLE plans.

Consider enrolling in Medicare prescription drug coverage. You can keep your **Non-Creditable coverage** from Ulster County

You can keep the coverage regardless of whether it is as good as a Medicare drug plan. However, because **Non-Creditable Coverage** is, on average, NOT at least as good as standard Medicare drug coverage, you may pay a higher premium (a penalty) if you decide later to join a Medicare drug plan.

4. **You have decisions to make about Medicare prescription drug coverage** that may affect how much you pay for that coverage, depending on if and when you enroll. Read this notice carefully—it explains your options.

Important Notice from Ulster County About Your Prescription Drug Coverage and Medicare *(continued)*

► Why is your decision so important?

You should also know that if you drop or lose your coverage with Ulster County

and don't enroll in Medicare prescription drug coverage after your current coverage ends, you may pay more (a penalty) to enroll in Medicare prescription drug coverage later. If you go 63 continuous days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

► When to enroll?

You can join a Medicare prescription drug plan when they first become eligible for Medicare and each year from October 15 through December 7. This may mean that you have to wait to join a Medicare drug plan and that you may pay a higher premium (a penalty) if you join later. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a sixty (60) day Special Enrollment Period (SEP) because you lost creditable coverage to join a Part D plan. Additionally, if you decide to leave your employer sponsored plan, you will be eligible to join a Part D plan at that time using an employer group Special Enrollment Period.

If you do decide to enroll in a Medicare prescription drug plan and drop your current prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact us for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

► You need to make a decision!

When you make your decision, you should also compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.
