MEDIA ADVISORY

Ulster County Celebrates Hudson Valley Climate Solutions Week with Unveiling of New Off-the-Grid EV Charger

KINGSTON, NY - The Office of the Ulster County Executive will host an unveiling of the new EV ARC™ vehicle charging station, an innovative, solar-powered, battery-stored off-grid EV charger for public use that bolsters climate resilience and demonstrates charging technology for remote areas with limited grid access. At this press event for Climate Solutions Week, the County Executive will also highlight current and planned initiatives to enhance public EV charging and green the County fleet.

Speakers at the event will include:

Ulster County Executive Jen Metzger

Ulster County Legislator Chris Hewitt, Chair of the Energy, Environment & Sustainability Committee

Tim Guinee, Legislative Director of NY Climate Reality Project Chapters Coalition

Betta Broad, Campaign Director of New Yorkers for Clean Power

WHEN: Tuesday, September 24, at 11 a.m.

WHERE: 1061 Development Court in Kingston

All are welcome and encouraged to attend this free event.

**Advisory has been updated to include the list of speakers at the event.*
