MEDIA ADVISORY

Ulster County Celebrates Hudson Valley Climate Solutions Week with Unveiling of New Off-the-Grid EV Charger

KINGSTON, NY - The Office of the Ulster County Executive will host an unveiling of the new EV ARC™ vehicle charging station, an innovative, solar-powered, battery-stored off-grid EV charger for public use that bolsters climate resilience and demonstrates charging technology for remote areas with limited grid access. At this press event for Climate Solutions Week, the County Executive will also highlight current and planned County initiatives to tackle climate change and bolster community resilience.

WHEN: Tuesday, September 24, at 11 a.m.

WHERE: 1061 Development Court in Kingston

All are welcome and encouraged to attend this free event.
