NEXT MEETING:

The next Regular Meeting of the Ulster County Legislature will be held on **June 18, 2019 at 7:00 PM** in the Legislative Chambers, Sixth Floor, Ulster County Office Building, 244 Fair Street, Kingston, New York.

Resolution deadline is **Wednesday, May 29, 2019 at 12 Noon.**

My name is Jared Mance. I am the Asst. Chief of the Spring Lake Fire Department and the chairperson of the Board of Directors, Ulster County Fire Chiefs Association.

I am here to represent the fire chiefs association to ask the legislators for your support of the proposed Fire Training facility at the Ulster Landing road site. The Fire Service in Ulster County needs this facility and has been asking for a facility like this for nearly 50 years. Construction of this burn building and the other proposed training aids will be a good start in making sure that the volunteer members of the fire service in this county are well prepared to respond when our residents need them.

Bids were received last week for the proposed work and the prices are no doubt higher than anticipated. We recognize that you have an important responsibility to make sure that capital dollars are spent wisely. We assure you that this is a worthwhile project that is sorely needed in our county. By supporting this project you will be directly assisting the members of our volunteer fire departments. These volunteers respond to answer the emergency calls in this county at any time, under any circumstances and they do so with no financial reward. Their only reward is the personal satisfaction of knowing that they have helped their neighbor in their time of need. In this county if we had to replace these volunteers with paid staff to answer these calls the cost would easily be in the tens of millions of dollars per year, every year. As leaders of the fire service we want to make sure that our members have the opportunity to receive high quality training so that we can keep them safe as they perform their important work.

If you have not heard from them already I encourage you to contact the local fire chiefs in the communities that you represent and ask them directly how this project will help support their mission.

Thank you.

Resolution No. 25 2019 for Ulster People for Justice and Democracy

At our members meeting, held on May 20, 2019; at which a quorum was present, it was hereby resolved :

That Ulster People enthusiastically supports the "Skip the Straw Law" that will be voted on by the Ulster County Legislature tonight, May 21, 2019;.

Ulster People recognizes that this law does NOT ban plastic straws; it only requires customers to ask for a straw;

Ulster People recognizes that our oceans are in crisis.

According to the International Earth Day Network,

Plastic pollution is poisoning and injuring marine life, it is disrupting human hormones, it is littering our beaches and landscapes and clogging our waste streams and landfills. The exponential growth of plastics is now threatening the survival of our planet. If current trends continue, by 2025 the oceans will contain one ton of plastic for every three tons of fish; and globally, by 2050, we will be looking at an ocean that will be home to more plastic (by weight) than fish;

Corporations, municipalities, and even national governments are implementing bans on plastic straws. Starbucks has committed to doing away with them by 2020, thereby eliminating more than a billion straws a year. So have Hyatt, Hilton, American and Alaska Airlines, and Royal Caribbean. The E.U. banned them in April. Seattle and Malibu banned them in 2018. Ulster People hopes that Ulster County will get on board with this timely and popular policy: and hereby

RESOLVES that the Ulster County Legislature vote in favor of the "Skip the Straw Law", adopting it as the policy of Ulster County; and it is further

RESOLVED, that Ulster People shall deliver this Resolution to the Clerk of the Ulster County Legislature in writing and by presentation at the Public Comment period preceding the May 21, 2019 business meeting of the Ulster County Legislature.
