BID DESCRIPTION

The purpose of this bid is to establish a price for the application of In-Place Asphalt Paving by the Ulster County Public Works, Highway Department, for indefinite miles of roadway.

The contractor will furnish all necessary materials, equipment (including water truck) and labor to accomplish the anticipated work. The anticipated work includes the construction signage and electronic message boards; the maintenance and protection traffic (flagging); the cleaning and preparation of the existing roadway; the cold planning of all intersecting roadways joints and asphalt driveways; the application of tack coat, the hauling of asphalt; the placement and compaction of the asphalt; and temporary and permanent pavement markings.

Price quoted shall be net per U.S. TON, placed, and properly compacted by the vendor, at the locations specified. The contractor will furnish all necessary materials, paving equipment (including water truck) and labor to accomplish the anticipated work. The anticipated work includes all message boards and construction signage, the maintenance and protection traffic (flagging); mobilization of equipment, the cleaning and preparation of the existing roadway; the cold planning of all intersecting roadways joints and asphalt driveways; the application of tack coat; the hauling of asphalt; the placement and compaction of the asphalt; and temporary and permanent pavement markings. The Ulster County Department of Highways and Bridges will schedule and coordinate the project with the Awarded contractor. The actual roadways to be paved will be determined by the Commissioner of Public Works. All specified thicknesses are after rolling and compaction. All materials shall meet the specification of the associated NYSDOT Item Number.
