PAVEMENT MILLING / PLANING SERVICES

The Awarded vendor is to furnish all equipment, operators, flag people and laborers to perform pavement milling / planing of Ulster County roads. Separate prices are requested for (A) Ulster County providing the trucks to haul away the milled material or (B) the Awarded vendor providing the trucking and hauling the material to an agreed upon stockpile thus working without any assistance from the Ulster County Department Highways & Bridges. Mobilization of Equipment must be included in the square yard pricing.

The Awarded vendor will be responsible for all traffic control and provide the necessary flagmen and construction signage as required by the M.U.T.C.D. (Manual on Uniform Traffic Control Devices) and NYS DOT specifications for the duration of the project.

The undersigned bidder has carefully examined the specifications for pavement milling / planing and agrees to furnish and supply all the materials, equipment, tools and labor necessary to properly remove asphaltic concrete pavement, in strict conformance to the detailed specifications attached. No deviations, amendments, or alternative methods of operations or specifications will be considered.

Bidders are requested to furnish prices per square yard to remove asphaltic concrete pavement at varying depths. Mobilization of Equipment must be included in the square yard pricing.
