David Donaldson, Chairman of the Ulster County Transportation Council (UCTC), is pleased to announce a public meeting has been scheduled concerning the development of the UCTC-sponsored Marlboro Hamlet Area Transportation Plan.

The meeting will provide an opportunity for the public to offer their comments and suggestions about how the transportation system in the Hamlet area could be improved.

An Advisory Committee has been established and is comprised of local business owners, Town officials, County and UCTC staff, and the New York State Department of Transportation.

The Public meeting is scheduled as follows:
