

BE PREPARED TO SAVE LIVES!

The Ulster County Heart Safe Community program is pleased to announce that a County bid purchase price offer will allow any organization in the county or individual in the county to purchase Automated External Defibrillators (AEDs) and its components for tremendous discounts off typical list prices until August 14, 2010.

Those wishing to order the following life saving equipment need to let the vendors know that you are an Ulster County resident/business in order to receive the discounted rate.

Available Products:

Unit 1- For use in County buildings with awarded vendor extending pricing to businesses, associations and organizations:

Model: Cardiac Science 9390E 5001E
Price: \$1,295.00 (This is 19% off the list price of \$1,590)
To be ordered from:
Catherine A. Fisher
Cardiac Life
1764 Empire Blvd, Suite 9
Webster, NY 14580
Phone 866-405-6212

Unit 2- For Ulster County residents for use in private homes:

Model: Phillips Hearstart Home OTC Model K04090P
Price: \$889.00 (This is 40% off the list price of \$1,504.00)
To be ordered from:
Vincent Celentano
Cardiac Systems, LLC
PO Box 112
Newton, NJ 07860
Phone 866-417-6034

***All units are to be ordered directly from the above vendors.**

Public organizations, businesses and associations purchasing the Cardiac Science for public use will be required prior to purchase to sign and have notarized an Indemnification Agreement supplied by the vendor and implement or have in place a Public Access Defibrillator program as per NYSDOH Policy Statement No 07-04.

Private citizens purchasing the Phillips OTC model for their homes will be required to sign and have notarized prior to purchase an Indemnification Agreement which will be supplied by the vendor.
