ARTICLE I
Ulster County and Its Government

§ C-1. Title and purpose.

- A. This Charter, together with any and all amendments to it, to be known and cited as the "Ulster County Charter," constitutes the government of Ulster County and provides for its form and functioning. Among other purposes, this Charter seeks to secure County home rule to the greatest extent possible; assure fair elections for County offices and accountability of the County's government to its people; separate the legislative and executive functions and responsibilities in Ulster County government; achieve increased efficiency, economy, equity, effectiveness and responsibility in the operation of the

County government; increase fiscal accountability; ensure flexibility in the structure of County government to allow easy adaptability to change; and foster intermunicipal agreements and cooperation.

- B. Except as otherwise provided, no function, facility, duty or power of any city, town, village, school district, or other district, or of any officer thereof, is or shall be transferred, altered, or impaired by this Charter.

§ C-2. County status, powers and duties.

Upon adoption of this Charter, Ulster County shall be and remain a municipal corporation under its same name and shall exercise all of the rights, privileges, functions and powers conferred upon it by this Charter, and any other applicable statute not inconsistent with such Charter. Ulster County shall be subject to all duties and obligations imposed upon it by existing or subsequent laws not inconsistent with the provisions of this Charter, including all powers necessarily incidental to or which may be fairly implied from the powers specifically conferred upon it.

§ C-3. Charter effect on state laws.

This Charter provides a form for and structure of County government in accordance with the provision of Article 4 of the Municipal Home Rule Law of the State of New York. All special laws relating to Ulster County and all general laws of the State of New York shall continue in full force and effect except to the extent that such laws have been repealed, amended, modified or superseded in their application to Ulster County by enactment and adoption of this Charter. Within the limits prescribed in Article 4 of the Municipal Home Rule Law, wherever and whenever any state law, general, special, or local in effect, conflicts or is inconsistent with this Charter, such law shall be deemed, to the extent of such conflict or inconsistency, to be superseded by this Charter insofar as the County of Ulster and its government are affected.

§ C-4. Charter effect on local laws and resolutions.

- A. All local laws and resolutions, heretofore adopted, which are contrary to or inconsistent with the provisions of this Charter are hereby repealed.
- B. All of the laws of the state relating to the towns, cities, villages or districts of the County of Ulster shall continue in full force and effect except to the extent that such laws have been repealed, amended, modified or superseded in their application to Ulster County by the enactment and adoption of this Charter.

§ C-5. Amendment or revision of Charter.

- A. Amendment through the Legislature. The County Executive, any Legislator, the Legislature collectively or any person may make recommendations at any time to the County Legislature for amendments to the Charter. A proposed amendment or proposed

amendments to this Charter may be adopted in the manner provided by the Municipal Home Rule Law.

- B. Amendment or revision by Commission. Within five years after the enactment of this Charter, and at least every 10 years thereafter, a Charter Revision Commission shall be appointed to review and make recommendations to the County Executive and Legislature on amendments, additions or revisions to this County Charter. The Commission shall consist of 11 qualified electors of Ulster County and representing the different geographic areas and reflective of the demographic diversity of the County, with five members appointed by the County Executive, three members to be appointed by the leader of the party in the Legislature with the most members, and three members by the leader of the party in the Legislature with the second most members. No appointee to this Commission shall be a County employee or elected official at the time he or she serves on this Commission.
- (1) The first meeting of the Commission members shall be convened by the County Executive in the second week after the deadline for its appointment for the purposes of electing a Chairman and receiving its charge. The Chairman of this Commission shall be elected at that meeting by a majority vote of the entire membership of the Commission.
 - (2) The Legislature shall provide such funds as are necessary for the Commission to conduct its business effectively. No member of the Charter Revision Commission shall receive any compensation, but each member shall be reimbursed by the County of Ulster for all actual and necessary expenses incurred in the course of the performance of his or her duties as a member of the Commission.
 - (3) The Commission shall call upon necessary expertise in the community and state, shall hold public hearings to gather citizen opinion on the strengths and weaknesses of the Charter and proposed improvements, and shall maximally publicize its work through the print and electronic media and the County website. The Commission shall issue a written report to the County Legislature and County Executive at the conclusion of its deliberations, but no later than one year from the date of its first meeting, containing its findings and recommendations, if any, for amendments or revisions of the Ulster County Charter to be placed by the County Legislature before the people of Ulster County for their consideration at the next scheduled general election at least 60 days after the report is delivered to the Clerk of the Legislature. The Commission shall be dissolved on the day following its report or one year and one day from the date of its first meeting.
 - (4) The Commission, by two-thirds vote of its members, may place directly before the voters for their approval at referendum proposals to amend or revise Charter provisions pertaining to the County in Article II or III of this Charter. These amendments or revisions must be filed with the Ulster County Board of Elections timely so as to allow a vote upon them at the next scheduled general election after the Commission reports. No later than one month before the scheduled referendum at which its adoption will be considered, the Commission must hold at least one public hearing on any Charter change proposed directly to the ballot. Amendments or revisions proposed directly to the ballot by the Commission will be deemed

adopted if approved by a majority of voters casting ballots on the question during the next scheduled general election. Notwithstanding other provisions of this Charter, if the Charter Commission proposes a matter for direct ballot consideration, the Commission will continue to function until the day after election day of the year of consideration of its proposal on the ballot.

§ C-10. Commission on Reapportionment.

- A. A Commission on Reapportionment shall be established as soon as practicable after the availability of data from the census of 2010 to create 23 single-member districts for the Ulster County Legislature and thereafter to meet and evaluate existing legislative districts no later than 60 days after the necessary census data becomes available from the decennial federal census and reapportion them as necessary to meet established standards in state and federal law for equal and fair representation of all people in Ulster County, keeping districts compact and contiguous while taking also into account existing town, city, village and election district boundaries and defining geographic features but giving no consideration to providing advantage to one or another political party. Any resolution not returned within 10 days, or 30 days in the case of a local law, will be deemed to have been adopted. The Clerk shall present the local law or resolution with the County Executive's objections to the County Legislature at its next regular meeting, and these objections shall be entered in the Legislature's record, journal or minutes of proceedings.
- C. Within 30 days after such receipt and entry, the County Legislature may reconsider such vetoed enactment and pass the same over the objections thereto by a favorable vote of at least 2/3 of the whole number of its elected members on a roll-call vote.

- B. At this organizational meeting, the members of the Legislature shall select a Chairman at the call of the Clerk of the Legislature in each year. The Chairman shall appoint members of the County Legislature to serve on such committees as are provided by the rules of such Legislature. The Clerk of the County Legislature shall preside at all meetings of the Legislature until such time as a Chairman has been designated by election or appointment. The failure to elect a Chairman or appoint committee members shall not prevent the County Legislature from transacting its ordinary business.
- C. In the event of vacancy in the office of Chairman, the County Legislature shall fill that office in the manner provided by its rules. Should the County Legislature fail to select a Chairman within 30 days after that office shall become vacant for any reason, the County Executive shall appoint a member of the County Legislature to serve as Chairman for the balance of the calendar year.

Pursuant to this duty, the County Executive shall have the power, personally or through his or her representatives, to require all necessary information from all departments, agencies, offices or units of County government for the purpose of ascertaining and/or assessing their budgetary requirements.

§ C-33. Departmental, agency, office or unit estimates.

The head of each department, agency, office or unit of County government shall submit to the County Executive, in writing, and through such channels and processes as specified by him or her, an overall estimate for that department, agency, office or unit and estimates by program within that department, agency, office or unit of expected expenses and expected revenues for the next ensuing fiscal year. These estimates shall be called "departmental estimates" and shall be organized with proposed grand totals of expenses and revenues for personnel services and other than personnel services for the department, agency, office or unit and proposed subtotal appropriations for personnel services and other than personnel services for each program within each department, agency, office or unit. A statement of actual expenses and actual revenues for the immediately preceding completed fiscal year, budgeted expenditures and revenues for the current fiscal year, and expenditures and revenues to date for the current fiscal year shall be included in departmental submission, prepared in the same specified format for comparison purposes. Each departmental estimate of expenses and revenue by program shall be supported by such other detail and other supporting information concerning the economy, efficiency and effectiveness of departmental performance as the County Executive shall require. Departmental estimates shall be public records and shall at all reasonable times be open to public inspection.

§ C-34. Submission of County budget.

Upon their submission, the proposed expense and capital budgets, hereinafter called the "County budget," together with the budget message, shall be posted on the County website and become public records in the office of the Clerk for distribution.

The proposed County budget shall be balanced, with projected revenues equaling or exceeding estimated expenses for the next ensuing fiscal year, and shall be presented in three sections, one of which shall set forth the estimated revenues and receipts, one of which shall set forth the estimated expenses, and one of which shall set forth the proposed capital authorizations and expenditures. A statement of actual expenses and actual revenues for the immediately preceding completed fiscal year, budgeted expenditures and revenues for the current fiscal year, and expenditures and revenues to date for the current fiscal year shall be included in the proposed County budget, prepared in a format that facilitates year-to-year comparison. The County Executive shall submit with the County budget a budget message summarizing and explaining the main features of the County budget, including information identifying and analyzing new or changed programs, with such supporting schedules and explanatory materials as he or she may deem desirable or the Legislature may by resolution require. The County Executive's proposed budget shall include a clear summary demonstration that there is a balanced relationship between the total estimated expenditures and the total estimated revenues for the next ensuing fiscal year and shall compare these figures with the actual receipts and expenditures for the last completed fiscal year and the year-to-date actual and year-to-date projected total expenditures and revenues for the current fiscal year. The County Executive's budget message shall also outline the existing and any proposed financial policies of the County relating to the capital program, including a description of each capital improvement proposed to be undertaken in the preceding fiscal year and not yet completed. The budget message shall specify the manner in which the County Executive is overseeing management of departmental operations to assure economic, efficient, effective delivery of public services, and contain such additional information as the County Executive may deem appropriate, and shall be posted on the County's website.

§ C-36. Review of County budget and message.

The Legislature or a committee designated by it will review the County Executive's proposed County budget and budget message and may require attendance of the heads of departments, agencies, offices or units or their representatives and/or their production of records and information in explanation of their departmental estimates as the Legislature shall deem appropriate. The Legislature or a committee designated by it shall prepare a written analysis

and review of the County Executive's proposed budget and make it publicly available, including posting it on the County government website, no later than the second Friday of November of each year.

At least 10 days shall elapse between the publication of a notice and the date specified for any budget hearing. At a budget hearing any person may be heard. Insofar as necessary and practicable within the deadline for the timely final adoption of the County budget, a budget hearing may be adjourned to a date certain or from day to day.

§ C-38. Adoption of County budget.

- A. After the conclusion of the public hearings, the Legislature may strike items of appropriation or anticipated revenue from the proposed County budget or reduce items therein, excepting appropriations required by law for debt service. The Legislature may add items to or increase items in the County budget, provided that such additions or increases are stated separately and distinctly, and so long as projected expenditures and projected revenues in the County budget remain in balance.
- B. The balanced County budget as changed, altered or revised shall be adopted by resolution of the Legislature not later than the second Thursday of December.
- C. If the Legislature takes no action by the second Thursday of December, the budget submitted by the County Executive shall be deemed to be the adopted budget.
- D. If the County budget, as submitted by the County Executive, is adopted by resolution of the Legislature with no changes, it shall be adopted.
- E. If, however, the County budget as adopted by the Legislature contains any increases, additions, decreases or deletions, it shall be immediately presented by the Clerk of the Legislature to the County Executive for examination and reconsideration.
- F. If the County Executive approves all the increases, additions, decreases or deletions, he or she shall affix his or her signature to a statement thereof and return the County budget together with such statement to the Clerk of the Legislature, and the County budget, including the increases, additions, decreases or deletions as part thereof, shall be adopted.

- G. If the County budget, with any increases, additions, decreases or deletions, is not returned by the County Executive to the Clerk of the Legislature with his or her objections within five working days after presentation by the Clerk to the County Executive, it shall be deemed adopted, as changed, altered or revised by the Legislature.
- H. If the County Executive objects to any one or more of the increases, additions, decreases or deletions, the County Executive shall append to the County budget a statement of the increases, additions, decreases or deletions to which the County Executive objects, taking care that his or her proposed changes leave the County budget in balance and setting forth the reasons therefor, and shall, no later than five working days after receipt of the adopted budget from the Clerk of the Legislature, return the County budget with the objections to the Clerk of the Legislature, who shall immediately present them to the Legislature. The Legislature shall thereupon enter the objections upon its records and, not later than the 20th day of December, proceed to reconsider the increases, additions, decreases or deletions to which objection is made by the County Executive. If upon such reconsideration the Legislature, by affirmative vote of at least 2/3 of its elected members, votes to approve any such increases, additions, decreases or deletions, the County budget, with the changes so approved, together with any changes not so objected to by the County Executive, shall be deemed adopted as resubmitted by the County Executive so long as balance remains between proposed expenditures and proposed revenues in that budget.
- I. If any limitation date mentioned in this article falls on a holiday, Saturday or Sunday, then any time limitations required herein shall be extended to the next business day of the County.
- J. Copies of the County budget as adopted shall be certified by the County Executive and by the Clerk of the Legislature and shall be filed in the offices of the County Executive and the Clerk of the Legislature. The budget so certified shall be posted on the County website and, at the discretion of the Legislature, printed or otherwise reproduced and copies made available to the public at such cost as the Legislature shall deem appropriate. Materials posted to the County website annually during the course of preparation of the County budget may not be removed from public access until the certified County budget for the year is posted in accord with the requirements of this section.

§ C-39. Levy of taxes; inclusion of reserve for uncollected taxes.

- A. The net County tax requirement determined by subtracting the total estimated revenues from the total proposed expenditures as set forth in the adopted budget shall be levied in advance by the County Legislature on the taxable real property of the several tax districts of the County. The taxes so levied shall include an amount to be known as "reserve for uncollected taxes," which shall be a County charge. The County Legislature shall fix the amount of such a sum as it may deem sufficient to produce in cash from the collection of taxes and other revenues during the year monies required to meet the estimated expenditures of such year; provided, however, that such reserve for uncollected taxes shall not be less than the face amount of unpaid taxes for the preceding completed fiscal year.

- B. The amount of all taxes, special ad valorem levies and special assessments levied upon any parcel of real property by the County Legislature shall, except as otherwise expressly provided by law, be and become a lien thereon as of the first day of January of the fiscal year for which levied and shall remain a lien until paid.

Pursuant to this responsibility he or she may, during any fiscal year, transfer part or all of any revenue or expenditure within a program or purpose of any department, agency, office or unit to another program or purpose within that department, agency, office or unit, except that the effect of such a transfer may not be to reduce the rate of pay or annual salary of any County employee. Written notice of such a transfer shall be given to the Legislature.
- B. Upon written request of the County Executive, the Legislature may, during any fiscal year, transfer part or all of any revenue or expenditure from one department, agency, office or unit to another, or transfer part or all of any revenue or expenditure for the purpose of establishing or adding to a new program or programs within or between departments, agencies, offices or units, or transfer funds from a contingency account to a department, agency, office or unit, or change the terms and conditions under which expenditures may be made by a department, agency, office or unit. Any action taken by the Legislature pursuant to this section shall be by resolution subject to the provisions of §§ C-12 and C-14 of this Charter.
- C. If, during any fiscal year, there are available for appropriation revenues received from sources not anticipated in the budget for that year or revenues received from anticipated source but in excess of the budget estimated for it, before such funds may be expended the County Legislature must make supplemental appropriations for the year, not in excess, however, of such additional revenues, whatever their source.
- D. If, at any time during the fiscal year, it appears that the revenues available will be insufficient to meet amounts appropriated, the County Executive shall report to the County Legislature without delay the estimated amount of the deficit, remedial action already taken by him or her, and his or her recommendations as to further action. The County Legislature shall take the action or actions that it deems necessary and as authorized by this Charter or state law to prevent or minimize any deficit. For purposes of eliminating or minimizing a potential deficit, the Legislature may, by resolution, reduce one or more appropriations, but no appropriation may be reduced by more than the unencumbered balance remaining for that purpose for the year, nor may any appropriation for debt service be reduced.
