**DISPUTE OF STATUS AS A LARGE FOOD SCRAPS GENERATOR**

Section 304-56 of the Ulster County Code

Form

Use this form to submit for **Dispute of Status as a Large Food Scraps Generator under the Food Waste Prevention and Recovery Act regulations**

Submit completed Dispute of Status form and third-party Waste Audit by **November 30, 2021** to:  
[foodwastelaw@co.ulster.ny.us](mailto:foodwastelaw@co.ulster.ny.us).

**1. Request for Dispute of Status**

**Waste Audit:** For generators disputing their status as large food scraps generators, a third-party Waste Audit is required. The Waste Audit must measure, by weight, all source-separated food scraps (defined below) generated during a consecutive seven-day week in which the generator was operating under its regular schedule.

*"FOOD SCRAPS" shall mean inedible food, trimmings from the preparation of food, food-soiled paper, and edible food that is not donated. Food scraps shall not include used cooking oil, yellow grease or food from residential sources, or any food identified in regulations promulgated by the department in consultation with the department of agriculture and markets or any food which is subject to a recall or seizure due to the presence of pathogens, including but not limited to: Listeria Monocytogenes, confirmed Clostridium Botulinum, E. coli and all salmonella in ready-to-eat foods."*

**I am applying for a temporary (not to exceed 1 year) Dispute of Status for the following reason (check one):**

Facility has been identified as a large food scraps generator and affirms that its acts or processes produce **less than 1 ton per week of food scraps**

Facility has been identified as a large food scraps generator and affirms that its acts or processes produce **less than .75 ton per week of food scraps**

**OR**

**I am applying for a permanent Dispute of Status for the following reason:**

Facility has been identified as a large food scraps generator and affirms that its acts or processes produce **less than .5 ton per week of food scraps**
