

On April 28, 2010, The Benedictine Emergency Room closed and moved all its emergency services to the brand new state-of-the-art Emergency Department at The Kingston Hospital. The new facility includes specialized Emergency Medicine professionals including nurses and staff from both Kingston and Benedictine Hospitals. The new space is 13,000 square feet with 35 private rooms including two triage rooms, three resuscitation rooms and two isolation rooms. There is an express care unit to treat minor emergencies efficiently and effectively, Psychiatric Emergency Service and a Certified Stroke and Chest Pain Center. Free valet is also offered for quick and convenient service. To learn more visit www.hahv.org.
