Ulster County Reapportionment Commission  
244 Fair Street  
Kingston, New York 12401

Dear Members,

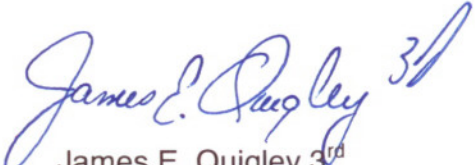

First and foremost I would like to thank the members of the commission for their service to the residents of Ulster County in undertaking this extremely important task. Everyone involved in the process knows the final product will define the Ulster County Legislature for the next 10 years.

When the Commission Members met with the Town Boards of the Town of Kingston and the Town of Ulster, there was a clear voice that asked the Commission to include both Town's in one single member legislative district. The Two Town's share several shared service programs that maximize efficiency and save taxpayer dollars. The shared services include highway department projects, summer recreation programs and a bulk fuel purchasing plan for municipal vehicles.

The most recent version of the plan expresses the wishes of both Town Boards, which will best serve the commonality of their constituents. I respectfully request that the map as drawn on April 20, 2011 remain unchanged for Legislative District #20.

Very truly yours,

  
Paul Landi  
Supervisor
