

# PUBLIC LYME DISEASE FORUM

**Tuesday July 31, 2012**

**7:00pm to 9:00pm**

**Ulster County Office Building**

**244 Fair St. - Legislative Chambers, 6th Floor, Kingston, NY**

The Ulster County Lyme Disease Advisory Committee (UC LDAC) invites those who have been affected by Lyme disease to share their experiences to work toward improving the health of Ulster County residents. All members of the public are invited to attend to gain a greater awareness of the impacts of Lyme.

The purpose of the forum is to review and solicit public input on UC LDAC's plan and recommendations for preventing the spread of Lyme disease and other tick-borne illnesses, based on individuals' personal experiences with Lyme disease.

The proposed UC LDAC Prevention Plan 2012 can be viewed by the public in advance of the forum on the County's website at the following web addresses:

[www.co.ulster.ny.us/health/tickfree.html](http://www.co.ulster.ny.us/health/tickfree.html)

[www.UlsterCountyNY.gov/legislature](http://www.UlsterCountyNY.gov/legislature)

Attendees who wish to step up to the microphone will have a maximum of 5 minutes to speak to the UC LDAC. We request that you do not mention any doctors by name, to either advocate or criticize. The problems with Lyme and other tick-borne diseases go beyond an individual doctor.

If you are unable to attend, please submit your written comments by July 31, via email to [UCLymecomments@gmail.com](mailto:UCLymecomments@gmail.com) or mail to:

Michael P. Hein  
County Executive
