EFFECTIVE UPON ADOPTION

RULE 1. RULES OF ORDER NOT SUBJECT TO EXECUTIVE APPROVAL.

The Rules of Order of the Ulster County Legislature, except where any portion or section thereof has been made part of the Charter of the County of Ulster, pertain solely to the conduct of the Ulster County Legislature. Thus, as a result and pursuant to §C-12 of the Charter (Submission of Enactments for Executive Approval; Veto and Veto Override) are not subject to County Executive approval.

RULE 2. AMENDMENT OF RULES.

The Rules shall not be rescinded, altered or amended, nor any additional Rule added thereto except by timely presentation to the Clerk of the Legislature, as and in the form of resolution, and by a majority vote of the total members of the Legislature and only after having been read at two consecutive meetings of the Legislature.

RULE 3. RESOLUTIONS, LOCAL LAWS, RULES FOR PROCEDURE FOR PRESENTATION AND CONSIDERATION.

- A. *Adoption, amendment and repeal.* The County Legislature may adopt, amend and repeal resolutions by a majority vote of the total number of its members. Each resolution shall embrace only one subject and may relate to property or any other subject of County concern not required by the Charter or applicable law to be provided by local law. Resolutions shall not be subject to referenda.
- B. *Procedure.* Except as otherwise provided in the Charter, all procedural details relating to the adoption, amendment and repeal of resolutions shall be as provided in the Administrative Code or applicable law. The procedural details shall also be governed by these Rules to the extent they are not inconsistent with the Charter, Administrative Code or applicable law.
- C. Procedure for the submission and consideration of resolutions in Committee.
1. Introduction: Any Legislator may introduce a Resolution by drafting or causing the same to be drafted and filing the same with the Clerk of the Legislature. The Sponsor shall be deemed to be the Legislator whose name first appears on the Resolution. Legislators may co-sponsor the Resolution by asking the Sponsor or Clerk to add their name to the Resolution as a Co-Sponsor. The Clerk shall refer the Resolution to a Committee of Original Jurisdiction based on the Rules of the Legislature and may also refer the matter to one or more Committees of Secondary

Jurisdiction. There shall be three different types of Resolutions: “Regular Resolutions”; “Late Filed Resolutions” and “Special Resolutions”. The Resolutions may or shall be considered during the “Legislative Calendar Month” in which they are introduced, as provided for herein. The “Legislative Calendar Month” shall commence the day after the most recent Regularly scheduled meeting (also known as Regular Monthly Meeting) of the Legislature (as described in Rule 10) and shall end upon the completion of the day of the last Regularly scheduled meeting of the Legislature for the next month of the year. Nothing shall preclude however the Legislature’s acting during Special Meetings of the Legislature or Committees thereof provided the Rules of the Legislature and applicable law are otherwise complied with. The time for presentation of each type of resolutions to the Clerk, for consideration by a Committee shall be as follows:

- (a) Regular Resolutions. Resolutions shall be deemed Regular Resolutions if they are filed with the Clerk of the Legislature 10 days in advance of the first Regular meeting date of Committees for that Legislative Calendar Month. Regular Resolutions once filed shall be placed on the Committee Agenda of the next Regular meeting of the Committee unless the Sponsor requests the Resolution be referred to a later Regular or Special meeting of the Committee. As part of the Annual Legislative Calendar, the Clerk shall identify the Regular Meeting dates of each Committee of the Legislature. The Clerk of the Legislature shall provide to the Members of the Legislature the deadline for submission of Regular Resolutions as soon as practicable for the Calendar year, or, in the case of 2013, as soon as practicable after these Rules shall take effect.

If a Regular Resolution is to also be referred to another Committee(s), to be known as a Committee of Secondary Jurisdiction after its passage in the Committee of original jurisdiction, it must be considered in such secondary committee(s) that month unless the secondary committee has already met, in which case it must be considered the following month or at a special meeting of the committee(s) of secondary jurisdiction during the month it passed the Committee of original jurisdiction.

- (b) Late Filed Resolutions. Resolutions shall be deemed Late Filed Resolutions if they are filed with the Clerk of the Legislature not less than ninety six hours before the meeting of the first Committee the matter is referred to but after the Regular Resolution filing deadline. A Late Filed Resolution may not be placed on a regularly scheduled Committee meeting agenda unless the Chair and Deputy Chair of the Committee agree. A Late Filed Resolution, if not placed on the next Regularly Scheduled meeting of the Committee to which it was referred shall, upon the conclusion of such meeting become a Regular Resolution and shall be treated as a Regular Resolution and be considered the following month as a Regular Resolution.

Notwithstanding the preceding, a Resolution which is not a Regular Resolution or a Late Filed Resolution or a Special Resolution may be placed on a Special Committee Meeting’s agenda upon the consent of the Chair and Deputy Chair of the Committee. If such a resolution is passed at a Special Committee meeting and it is not a Regular Resolution or a Late Filed Resolution then the same shall be referred to the Laws and

Rules, Governmental Services Committee and if it meets the definition of a Special Resolution may be converted by the Clerk into a Special Resolution and acted on that Committee as a Special Resolution.

A Late Filed Resolution once approved by a Committee of original jurisdiction may be considered by a Committee of secondary jurisdiction before the next Regularly scheduled meeting of the County Legislature at the option of the Chair and Deputy Chair of a Committee of secondary jurisdiction, and if not considered at that time by a Committee of secondary jurisdiction, then it shall be considered as a Regular Resolution by such committee(s) of secondary jurisdiction at the next Regular meeting of such committee(s) of secondary jurisdiction.

(c) Special Resolutions. A Resolution that is not a Regular Resolution or a Late Filed Resolution shall be deemed a Special Resolution if, when introduced, it is requested by the sponsor to be deemed a Special Resolution. .

A Special Resolution shall be referred to and may be placed on an agenda of the Laws and Rules, Governmental Services Committee at the option of the Chairperson of the Laws and Rules, Governmental Services Committee if any of the following two circumstances exist:

- (i) The Resolution was introduced upon the request of the County Executive, Comptroller, Sheriff, District Attorney, or County Clerk, which shall be specifically identified as being introduced at their request. The Resolution, if meeting this criteria, shall contain an explanation, acceptable to the Chairperson of the Legislature or the Chairperson of the Laws and Rules, Governmental Services Committee from the County Executive, Comptroller, Sheriff, District Attorney, or County Clerk, explaining why the Resolution was sent for introduction to the Clerk of the Legislature on the date it was sent and why it is necessary that the Resolution must be acted upon at the next meeting of the County Legislature.
- (ii) The Resolution is of financial consequence or potential financial consequence for the County, the timeliness of which requires or favors action by the full Legislature at its next meeting, as determined by the Chairperson of the Legislature or Chairperson of the Ways and Means Committee.
- (iii) The Resolution relates to a matter of public safety and the failure to act would negatively impact the people of Ulster County as certified by the Sheriff, Legislature Chairperson, Chairperson of the Law Enforcement and Public Safety Committee or District Attorney;
- (iv) That another governmental entity (Town/Village/City/School District/State/Federal government) or division or agency thereof requires

*Note: Anything appearing in **ITALICS** represents Charter language and may not be rescinded, altered, amended or repealed except through a change of the Charter.*

or requests such Resolution be acted on in order for that entity or division or agency to act.

- (v) That the Chairperson of the Legislature deems it appropriate to act on the Resolution at such meeting and the matter should not be held until the next meeting of the County Legislature.

If a Special Resolution must also be considered by the Ways and Means Committee, nothing in these Rules shall preclude such Special Resolution, upon a finding by the Chairman of the Ways and Means Committee or the Chairman of the Laws and Rules, Governmental Services Committee, from being placed on any Regular or Special Meeting of the Ways and Means Committee to be called by the Chairman thereof before or after the Laws and Rules, Governmental Services Committee shall have approved such Resolution.

(d) Notwithstanding the preceding, a Resolution which is not a Regular Resolution or a Late Filed Resolution or a Special Resolution may be introduced and placed on a Special Committee Meeting's agenda upon the consent of the Chair and Deputy Chair of the Committee. If such a resolution is passed at a Special Committee meeting and it is not a Regular Resolution or a Late Filed Resolution then the same shall be referred to the Laws and Rules, Governmental Services Committee and if it meets the definition of a Special Resolution may be converted by the Clerk into a Special Resolution and acted on that Committee as a Special Resolution. If it is not acted on by the Laws and Rules, Governmental Services Committee during the same Legislative Calendar month it shall be considered a Regular Resolution the following month, need not pass its Committee of original jurisdiction again, must be considered by any Committees of secondary jurisdiction (unless defeated in such a Committee), and if it passes all Committees of original and secondary jurisdiction must be acted on by the full Legislature at the next Regular Meeting of the Legislature or at the option of the Chairperson of the Legislature, at a Special meeting thereof.

2. Resolutions may be amended and/or passed in any Committee by vote of the majority of the total members of such Committee so long as the Sponsor, if present, consents. If the sponsor is not present, the Committee may pass the Resolution in its original form or as amended. If amended, the Clerk shall promptly notify the Sponsor of the amendment and the fact that the Resolution has passed in amended form. The Sponsor may then approve such amendment or reject it. If the sponsor rejects the amendment, the Resolution shall not be advanced and shall be considered a Regular resolution at the next regularly scheduled meeting of the Committee. Notwithstanding the preceding, an amendment to a resolution may not be made in Committee on the date the Resolution is to be voted on by the full Legislature; in such case, the amendment must be made by the full Legislature. Resolutions, when amended shall show the amendments in a track changes format in the version to be adopted by the Legislature, but shall not be forwarded to the County Executive or otherwise entered into the minutes or official records in track changes format.

*Note: Anything appearing in **ITALICS** represents Charter language and may not be rescinded, altered, amended or repealed except through a change of the Charter.*

- D. Consideration by the Legislature of Resolutions which have passed Committee. If a Resolution of any kind passes all necessary Committees (in its original form or as amended in any Committee) which have jurisdiction over it, it is eligible for consideration by the full Legislature and shall be so considered at the next regularly scheduled meetings of the Legislature.
- E. Petition to Discharge. No Resolution shall be considered by the full Legislature unless it shall have been passed by all necessary Committees unless the following procedure is implemented:
- (a) The sponsor of a Resolution defeated in Committee shall, within five calendar days, file with the Clerk of the Legislature, a document, on a form prescribed by the Clerk of the Legislature, known as a “Petition to Discharge” (which Petition to Discharge shall be numbered by the Clerk);
 - (b) At least ten Legislators, within thirty days of such Petition’s being filed with the Clerk of the Legislature, shall have signed such Petition. Such signature may be an actual signature on the Petition to be held in the custody of the Clerk, or a written request to the Clerk (hand delivered, mailed, e-mailed, or faxed and in any event, received by the Clerk within thirty days of such Petition’s being filed) that the Clerk place such Legislator’s name to the Petition. If a Legislator does not personally sign the petition, the request from the Legislator to the Clerk to add that Legislator’s name shall be appended to the Petition;
 - (c) Thereafter if Legislators shall sign the Petition to Discharge, as described above, the matter shall be referred to the next full meeting of the County Legislature for a vote provided such full meeting is at least ten days from the date the tenth signature having been made on or name placed upon the Petition to Discharge;
- F. Procedure for the submission and consideration of Local Laws: The routing process of a proposed local law, before adoption by the Legislature, shall be as follows:
- 1. A Legislator may introduce a proposed local law by filing it with the Clerk, who shall number the proposed local law. The Clerk shall number the proposed local law as “Proposed Local Law Number ___ of the year ___” and then refer the proposed local law to a Committee of appropriate jurisdiction. Upon the presentation of the local law for adoption by the Legislature, the Clerk shall number the proposed local law based on the actual order such proposal, if adopted, would become law based on the local law proposals which have actually become law already that year. The Clerk, in consultation with the Counsel to the Legislature and County Attorney shall cause the adopted local law to be properly numbered for filing with the Secretary of State consistent with State Law and

shall annotate any change to the number of the law in the minutes of the meeting when the law was adopted.

2. The Committee to which the Local Law is referred may approve, disapprove, or with the consent of the sponsor, amend the proposed local law. If approved in its original or amended form, the proposed law shall be referred to the Laws and Rules, Governmental Services Committee.

3. Upon referral to the Laws and Rules, Governmental Services Committee, the Committee shall review the law for completeness and technical flaws. If the proposed law needs substantive modifications, it shall be sent back to the originating committee with the recommended changes. If minor changes are necessary, the Laws and Rules, Governmental Services Committee may make the proposed changes in consultation with the main sponsor of the proposed law. Within sixty days of receipt of the proposed law, or longer if consented to by the Sponsor and unless it has been sent back to the originating committee, the Laws and Rules, Governmental Services Committee shall generate a resolution for consideration by the full Legislature setting a time and date for a public hearing.

4. The County Legislature shall vote on whether to set a Public Hearing on the proposed local law and shall conduct such hearing.

5. The Laws and Rules, Governmental Services Committee shall review and consider the comments on the proposed law from the public hearing. The Laws and Rules, Governmental Services Committee may approve the proposed law for consideration by the full Legislature at a meeting of the Legislature, may amend the same with the consent of the Sponsor, or may send the proposed law back to the originating committee for further changes or reconsideration if the Sponsor's consent cannot be obtained to such amendments.

Substantive changes made by the Laws and Rules, Government Services Committee, or an originating committee shall require another public hearing which shall be set by the Legislature via a resolution generated by the Laws and Rules, Governmental Services Committee after a review of any amendments by such Committee and a determination that the proposed amended local law is technically sound. Nothing shall preclude the calling of a special meeting of any Committee after the public hearing concludes to amend and/or advance the Local Law to the full County Legislature for a vote by the full County Legislature the same night as the public hearing on the proposed local law concludes

6. Proposed local laws, when amended in any Committee, shall show the amendments in a track changes format in the version to be adopted by the Legislature, but shall not be forwarded to the County Executive or otherwise entered into the minutes or official records in track changes format. The track changes format shall show new language as underlined and any removed language with a strikethrough line.

*Note: Anything appearing in **ITALICS** represents Charter language and may not be rescinded, altered, amended or repealed except through a change of the Charter.*

7. Upon approval by the Legislature of a proposed local law, the Clerk shall cause the same to be sent to the County Executive pursuant to the County Charter.

8. Process if a proposed local law is defeated in Committee: If a proposed local law is defeated in Committee it shall be deemed defeated except that if it is defeated by one vote, the sponsor may file with the Clerk a Petition to Discharge such local law (which the Clerk shall number). If a majority of Legislators sign such Petition within thirty days, the Clerk shall and hereby is authorized to set a public hearing on such proposed local law in the form it was defeated in. Such public hearing shall be held at the next regularly scheduled meeting of the Legislature in the same calendar year but at least twenty one days from the 12th signature being placed on the Petition to Discharge. The process for gathering and placing signatures on such Petition to Discharge shall be the same as if it were a Resolution, other than the number shall be 12 signatures and the Clerk shall send written confirmation of any signature or name the Clerk him or herself places on the Petition to the Majority and Minority Leader. After a public hearing on such proposed local law, a Member of the Laws and Rules, Government Operations Committee may generate a Resolution calling for the Legislature to adopt the proposed local law.
