Agenda

Regular Monthly Meeting of April 29, 2020

“The purpose of the Council shall be to review and advise the county and local governments on present and proposed methods of using, protecting and conserving the environment for the benefit of all the people.”

The March 2020 meeting of the EMC was canceled in anticipation of the pandemic, and it's expected that future meetings will be held via Zoom video conferencing. The April EMC meeting will be a test of that approach.
