

November 18, 2004

Ulster County Health Department has received additional doses of Influenza vaccine. This vaccine will be administered at clinics by appointment only to those high-risk individuals prioritized in the Centers for Disease Control Guidelines.

Required at the time of appointment will be proof of age and for those between 18 and 64 years of age a doctor's note stating the risk condition.

Appointments for these flu clinics can be made by calling the District Office most convenient to you on Monday, November 29th beginning at 10 a.m.

The numbers to call are:

Ellenville – 647-2343
Kingston – 340-3070
New Paltz – 883-6155
Saugerties – 246-2621

No appointments will be made in person.

Appointments will be given by telephone only on November 29th.
