

Ulster County Opioid Prevention Strategic Action Team Agenda

Thursday, October 24, 2019 2-4:00 PM
UC Department of Health and Mental Health
Golden Hill Office Building, 239 Golden Hill Lane
2nd Floor Conference Room 300-303, Kingston, NY 12401

An Opioid Prevention /Strategic Action Coordination Team has been created to facilitate the coordination and integration of the various actions, interventions and grant initiatives that are designed to eliminate the opioid epidemic in Ulster County.

The Team will continuously work to enhance communications and awareness among all stakeholders; monitor the status and effectiveness of each intervention and action; identify and remove barriers; research best and promising practices; recommend the allocation and reallocation of resources; invite representatives of organizations working in and outside of UC to review their successes and challenges, and recommend needed adjustments to improve outcomes.

The Team will report directly to the County Executive, along with the Commissioner of Health and Mental Health.
