ULSTER COUNTY LONG RANGE TRANSPORTATION PLAN: VIRTUAL PUBLIC MEETING SERIES ANNOUNCED

Public asked to weigh-in on document that will guide transportation investment decisions

Kingston, NY – August 05, 2020 The Ulster County Transportation Council (UCTC) invites the public to join us at one of the four virtual public meetings as highlighted below to discuss the draft Year 2045 Long Range Transportation Plan (LRTP) for the Ulster County Metropolitan Planning Area.

UCTC's Long Range Transportation Plan (LRTP) is a critical guide to transportation decision-making for the region. The Plan is updated every 5 years and forecasts transportation needs at least 20 years into the future. The Draft 2045 LRTP embraces a multi-modal transportation future with a focus on the transportation system's role in environmental sustainability, accessibility, economic development, and quality of life. The 2045 LRTP prioritizes transportation needs based on projections of available funding.

Written comments may be submitted via email to Brian Slack at uctc@co.ulster.ny.us and will be accepted until August 31, 2020. A final plan must be approved by the UCTC Technical and Policy Committees no later than September 30, 2020.

The graphic is a promotional poster for the Ulster County Long Range Transportation Plan Virtual Public Meeting Series. It features a teal and orange color scheme. At the top right, there is a circular orange badge with the text 'VIRTUAL PUBLIC MEETINGS'. The main title 'ULSTER COUNTY LONG RANGE TRANSPORTATION PLAN' is in large, bold, teal letters. Below the title, it says 'Join us on Zoom to learn more about the Long Range Transportation Plan and to provide your input on the future of transportation in Ulster County.' Underneath, it says 'CHOOSE ONE OF FOUR MEETINGS TO ATTEND (THEY ARE THE SAME)'. There are four meeting options in rounded rectangular boxes: '8.11.20 (TUES) 12PM', '8.11.20 (TUES) 7PM', '8.12.20 (WED) 12PM', and '8.12.20 (WED) 7PM'. A note indicates 'Live Spanish interpretation is available (8.12.20, 7PM)'. At the bottom, it says 'REGISTER HERE: ulstercountyny.gov/transportation-council/long-range-transportation-plan'. Logos for UCTC and SGB (Susan G. Blockstein, LLC) are at the bottom right.

Registration information and the draft plan are available on the project website:

The Ulster County Transportation Council (UCTC) is the state designated Metropolitan Planning Organization (MPO) for Ulster County and a portion of the Poughkeepsie-Newburgh Urbanized Area. The UCTC was designated by the Governor of New York as the MPO for the Kingston Urbanized Area on April 30, 2003. The UCTC was formally organized with the adoption of Operating Procedures on June 4, 2003. The purpose of the UCTC is to build a consensus on local and regionally significant transportation, transit and non-motorized improvements through the continuing, cooperative, and comprehensive transportation planning process.
