The Town of Rosendale and the Ulster County Transportation Council Invite Public to Review Final Draft 'Finding Rosendale' Plan

*The 'Finding Rosendale' Plan includes Final Draft Designs of Welcome and Directional
Signage for the Town of Rosendale*

The Town of Rosendale invites local residents and business owners to attend the final public information meeting of the "Finding Rosendale" Plan: A Circulation and Wayfinding Plan for the Town of Rosendale funded by the Ulster County Transportation Council.

The Public Information Meeting will be held on **Thursday, July 23rd from 7:00 p.m. until 8:00 p.m. at the Rosendale Town Hall, 1915 Lucas Avenue, Cottekill, NY 12419.**

The plan recommends a variety of measures to improve circulation, connectivity and wayfinding between recreation areas, public parking lots and commercial properties in and around the Town center in a manner that respects private properties and promotes safety for all users.

The purpose of this meeting is to allow the community to comment on the draft plan, which includes final draft wayfinding signage for the Town.

No one knows the community better than those who live and work there. We would greatly appreciate your insight and participation.

For more information, please log onto the Finding Rosendale project website at <http://ulstercountyny.gov/planning/active-studies/finding-rosendale>. All relevant project materials are available at the above site. Print copies available upon request to Brian Slack, bsla@co.ulster.ny.us
