New Paltz Transit Center

Ulster County Transportation Council, in association with the Town and Village of New Paltz, will be hosting a meeting for the public to learn about and provide input on future options for a transit center to serve the New Paltz community. This public meeting is a follow-up to the workshop held in November of 2013 that sought public input to identify alternative options for the bus terminal, which has growing ridership and expansion needs.

Local residents and students are encouraged to attend!

Where: New Paltz Town Community Center

3 Veterans Dr (Behind Town Hall), New Paltz, NY 12561

When: May 7th @ 7pm

This public meeting is part of the planning process for the *New Paltz Intermodal Feasibility Study*, conducted by Ulster County Transportation Council.
