ULSTER COUNTY TRANSPORTATION COUNCIL

ALLOCATION OF PREVIOUSLY UNALLOCATED FEDERAL TRANSIT ADMINISTRATION (FTA) SECTION 5307 FORMULA FUNDS FOR REGIONAL TRANSIT PROJECTS

WHEREAS, the Ulster County Transportation Council (UCTC), Dutchess Transportation Council (DCTC), and Orange County Transportation Council (OCTC) have been designated by the Governor of the State of New York as the Metropolitan Planning Organizations (MPO) responsible, together with the State, for the comprehensive, continuing, and cooperative transportation planning process for their respective counties; and

WHEREAS, the Mid-Hudson Valley Transportation Management Area (TMA) is comprised of the UCTC, DCTC and OCTC planning areas; and

WHEREAS, in accordance with federal regulations, the TMA Memorandum of Understanding, the collectively adopted 5307 methodology policy, and based on continuing staff coordination, the three TMA Transportation Councils are responsible for the allocation of Federal Transit Administration (FTA) Section 5307/5340 funds for the Poughkeepsie-Newburgh Large Urban Area, also known as UZA 89; and

WHEREAS, the three TMA Transportation Councils have considered the planning factors under 23 USC 134 (h)(1)(A-J) in reaching consensus on the methodology supporting the sub-allocation of Section 5307 Urbanized Area Formula funds apportioned to UZA 89 for the transit services within the three counties, regional transit services as provided by the Metropolitan Transportation Authority (MTA), and inter-county bus services; and

WHEREAS, FFY 2017 5307/5340 funds apportioned to the TMA under the current federal transportation legislation, the Fixing America's Surface Transportation (FAST) Act (Pub. L. 112-141, December 4, 2015), are not yet available for programming, due to the lack of agreement between New York and New Jersey on the amounts to be allocated to each state, given that the UZA 89 boundary crosses state lines; and

WHEREAS, the three TMA Transportation Councils have reserved a portion of FFY 2014-2016 Section 5307 funds, previously allocated to the TMA as a whole, for future sub-allocations; and

WHEREAS, Ulster County Area Transit has requested a loan from this presently unallocated reserve of 5307/5340 funds due to the impasse between the states, in the amount of \$457,578, which is necessary to support its FFY 2018 FTA grant applications; and

WHEREAS, said amount would be reallocated to the TMA pool from a future allocation to Ulster County when that occurs; and

WHEREAS, said amount would be reallocated to the TMA pool from a future allocation to Ulster County when that occurs; and
