The Draft UCTC State Fiscal Year (SFY) 2022 Unified Planning Work Program (UPWP) is available for review. Staff will present the draft program and request input and comment. The Draft 2022 UPWP continues work commenced during previous UPWP cycles, revises several projects included on the previous program, and adds 2 new projects for future programming and development.

UCTC's 2022/23 Federal funding allocation for the period April 1, 2022 to March 31, 2023 is a total of \$469,246 in FHWA (PL) funds and a total of \$59,988 in FTA Section 5303 (MPP) funds. All of these funds (\$529,234) are available for programming in the 2022/2023 UPWP. UCTC also has federal funds available from previous years; these funds represent previous savings that are available to the Council for programming as needed.

The draft 2022 UPWP continues to undergo revision and is likely to change prior to the 1/25 meeting.

After Technical Committee comments are provided and any appropriate revisions are made, staff recommends that the Draft UCTC 2022 UPWP be made available for 15 day public review and comment period prior to UCTC Policy Committee review.
