

# ULSTER COUNTY ENVIRONMENTAL MANAGEMENT COUNCIL

Dave Haldeman, Chair  
Margot Becker, Vice-Chair  
Kenneth Panza, Secretary

## Agenda

Special Meeting of December 11, 2019

6:30 PM, at the Ulster County Dept. of the Environment  
17 Pearl St, Kingston, NY 12401

*This meeting combines November and December EMC meetings.  
In observance of the season, bring some food and refreshments to share*

## Call to Order

## Introduction of Speaker/Presentation

Mira Bowin and Deb Weltsch from the John Burroughs Society (local Audubon affiliate) will talk about what they are seeing regarding bird populations given climate change as well as some of their concerns for species survival.

## Approval of Minutes

Consider minutes of the **October 30, 2019** meeting of the EMC.

## Old Business

**Danskammer Holdings LL** is planning to submit its application under Article 10 of state public service law to construct a new gas-fired power plant on the site of the former facility in the Town of Newburgh. The formal application will be submitted on or about December 11.

**Route 850 LLC Site Plan.** Revised application for proposed Route 28 fabrication plant submitted to town of Kingston Planning Board

## New Business
