

Write Your Story

Warrior Writers Workshop: Saturday November 17, 2018 10:30am - 1pm
at the FDR Presidential Library, Hyde Park, NY

The Warrior Writer Workshops provide a safe space for veterans to tell their own stories using prompts and discussions covering a variety of military issues and experiences.

This workshop is part of weekend long **VETERAN ARTS SHOWCASE** at the FDR Presidential Library & Museum on November 16 to 18. Now in its sixth year, the Showcase features visual artists, writers, poets, musicians, and performers who also happen to be military veterans, active duty military and military / veteran family members.
